RAZZLE DAZZLE LEAGUE

COMMISSIONER REPORT
W/ WARREN PEACE

FROM THE DESK OF WARREN PEACE

RDL! RDL! RDL! That's what I envisioned all the millions and millions of IWA fans and alumni out there chanting when they read the latest IWA Report and found the Razzle Dazzle League back in the IWA's Top-10 Leagues for the first time since..... honestly, I don't know that the RDL has EVER cracked the top-10 despite its history. So, a hearty congratulations and THANK YOU to everyone here for making that possible. Now, let's keep it going!

Now, onto business. I loved reading through the trash talk section of the league this past cycle. There's tons of participation and some good feuds that look like they're beginning to form. Since the bulk of DazzleCade centers around the title tournament and many of our top stars were already designated towards matches, we unfortunately weren't able to showcase all of these feuds at the upcoming PPV. We're trying to sprinkle them in throughout the shows, though, and rest assured that our second PPV will revolve around the feuds that you all are working so hard to get going.

I had mentioned last cycle that the RDL has joined the Pro Wrestling Imitated (PWI) network, which has its first contest underway starting this cycle. We have six wrestlers representing from the RDL in IWA Survivor '24 and I want to wish each of them luck in becoming the 2024 PWI Sole Survivor!

Congratulations to the Three-Petes for giving the RDL its second consecutive share of the IWA World Six-Man Titles.

That's all I've got for now. I hope you all are enjoying the unique features of the reincarnated Razzle Dazzle League. As always, I appreciate the participation that each of you brings to the table to help make this league a success. Until next time, RDL, be safe, have fun, and let's make this league great again!

RDL SHOW TIME

The very first Mr. RDL Champion was crowned this cycle! Every cycle, the winner of the league battle royal will earn a title shot 2 cycles later.

Participants in the Secret Skills face-off should send me what their secret skill is and also 5 hold values (3 holds 1-60 + 2 holds 61-90) as that is what will determine that face-off result.

If you have a special match request that you would like to feature on the show, please contact the Commissioner or request it in your trash talk. The priority for space on the show is given to those that trash talk!

RDL NEWS

The Next Frontier (TNF) has arrived in the RDL and immediately took some time to calling out Miss Americana.... “the It Factor” Michael Cage boasts that the RDL’s days of irrelevance are over now that he’s here.... “Nature Boy” Ric Douglas has some unfinished business in the RDL that seems to have the Dazzlers at the center of it; it sounds like the Dazzlers are more than up for the challenge... Star Master has accepted the open challenge from the Mysterious Benefactor for a Best of 5 series... Jake Gold is looking to make his presence felt by issuing a challenge to “the Chesapeake Crippler” Chris Kushnir... Things escalated last cycle when the Old School Squad’s Tony Cage & Mr. Money Bags got into a locker room shoving match with Sly Guy Scott Warner; Warner responded later on saying they can’t wait to get into the ring... “the Ugandan Nightmare” Mustafa sent a warning to the entire RDL, claiming they’ve never experienced someone as twisted as him... the Pig Protection Agency has arrived in the RDL... Avocado from Mexico interrupted a promo from “the Aztec God” Judas Muertes in an exchange that provided more comedic relief than heat.... the Yard Bird Warrior continues to impress even ninjas with his unorthodox fighting style as he prepared recently for his Secret Skills face-off with the Tartar Kid.... the Porch Beer has his sights set on being a future RDL World Champion, his secret being that of balance, as he described how he gets through opponents like Union Jack Puddings.... You could feel the tension when Ax confronted Sir Cluckston Q. Jenkins over a botched attempt to interfere in his match against Redust. The exchange ended in a beak to the head from Jenkins to Ax. Where this leaves things between these two is anyone’s guess and it’s not quite clear if this takes Redust off the hook?... Tensions also mounted between Sly Guy Scott Warner and Krampus when Warner showed up to interfere on behalf a kid who was headed for who knows what kind of torture.... and, finally, for a quick series update: SOS and COT are currently locked in a battle for Dan Hayman’s soul. Singles and Six-Man are tied at 1-1 while Tom Flesher’s team (COT) leads tag 2-0.

SPECIAL SKILLS AUDITIONS

ATTENTION!

Management is seeking wrestlers on the RDL that possess special talents to compete in the 2024 annual Secret Skills competition!

Participants in this contest will face off in head-to-head competitions throughout the year in a talent-show style competition featured on RDL Showtime. The winners of each face-off will advance to the finals competition to be held later in the year with the winner receiving the Secret Skills trophy AND the grand prize (TBA).

To audition for this competition, simply contact the RDL Commissioner or let me know through the trash talk section of the bulletin. I'll need to know your wrestler's name and a description of the secret skill that they will be using for the competition. For added flare, you can even send in your wrestler's audition tape (meaning, a trash talk style writeup).

Additionally, it should be noted that participants in the secret skills competition face offs are required to send the Commissioner a list of 5 holds they are to use in their "match". This is 3 holds from 1-60 + 2 holds from 61-90. The wrestler with the most points from their 5 holds will win the face-off competition.

IWA SURVIVOR

STARTS THIS CYCLE!!

Have you ever dreamed of being on Survivor? Well, now wrestlers from any of the Pro Wrestling Imitated leagues (BHL, ASL, BBL, RDL, SHL) - and, for this event, the BBW - can audition for a chance to compete against one another in a multi-cycle contest filled with one grueling event after another for a chance to win \$1MM in imaginary money and the title of the 2024 IWA Sole Survivor. But, just like in the game show, in order to do that players must outwit, outplay, and outlast the competition!

EVENT DETAILS

This year, IWA Survivor travels to the Pearl Islands in Panama!

Once the contest list is set, players will be broken up into tribes. The initial stages of the contest will pit tribes against one another using various game-related criteria. The first stages of the game will feature bulk eliminations. Each cycle after, contestants will be eliminated by way of tribal vote. At a certain point, the tribes will merge and the contest will continue in an individual capacity until only one player remains and earns themselves the title of Sole Survivor. The game criteria for each round will be announced the cycle prior so that players can prepare accordingly.

The game is tentatively scheduled for 3-rounds that will narrow the field down to 2 tribes with 10 each. Then, 4 rounds of competition between the 2 tribes, and then the merge where the final 13 will advance. From that point on, it will come down to individual competition. Good luck!

**Do you have what it takes to outwit,
outplay, outlast the competition?**

There's only one way to find out!!

IWA SURVIVOR

HOSTED BY:
Jeff Roast

ROUND 1 CHALLENGE:

This round, each tribe will be graded on the total singles strategies of all 10 of its tribe members during this cycle of play. The tribe with the lowest score will be eliminated from the IWA Survivor competition and the other 3 tribes will advance to the next round.

***Now let me introduce myself. I am Doc Porkenstien
and this is my creation Porkenstien the Monster.
Our names may be of no concern to you now, but
before we are done you wish these names never
came to the Razzle Dazzle League!!!***

Union Jack Puddings in **BRONZEFINGER**

YAH BABY, YEAH! It looks like the Razzle Dazzle League is off to a *smashing* start, baby. But while I'm trying to Survive and keep my mojo in my knickers during ShowTime, I've got a mystery to solve! I gotta figure out why Those Who Gather Within the Kudzu are making me represent them in battle, baby! I think the Circle of Tyrants is shagadelic, yeah! As a matter of fact, **Rachel Yamakazi**, I'm willing to lay down for **Joey Everclear** if you'd be willing to...lay down with me! Oh, behave! That's Puddings by name, and puddings by reputation!

Listen and listen good, RDL! Prince and I thought that this place was supposed to be for competitors with multiple talents, not just wrestling! But what do we have? A scary Christmas monster? A pig-faced butcher? A freaking ***talking beer***?!?!? But those three freaks are at least on a much higher level than **The Next Frontier**. How'd taking my title work out for ya, Ace? Nothing like a little karma for your sexist pigism. Hope you

enjoyed the solo performance while I rammed your ugly face into that cage! There's still plenty of time to hop in the getaway car and try out another league that might be a little easier for you to puff your chest out in. There is simply no stopping us, and if you think we don't belong here, Prince and I will be more than happy to give you a Swift exit!

It was a fun time for the Razzle Dazzle audience as the title-holding trio of Scurvy Jones, Mussel Muscles, and Gil Nemo walked out to the Little Mermaid's "Under the Sea." Ever diligent on the fight against irrelevant diseases, Scurvy carried a wicker basket full of clementines and kumquats that he handed out to several lucky audience members. The Crippling Crustacean flexed his Mussel Muscles with kids, commenting on how much stronger they looked than him. The Tartar Kid climbed on the railing and "did the backstroke" while crowd-surfing toward the ring. Before the Three Petes came out to try and take the belts off of the Seamen, Jones called for the house microphone.

Scurvy Jones (SJ): "We've reached land, me mateys! And unlike those rascally pirates, there's no need for us to bury our gold! We wear ye with pride, and instead of flying the skull and bones of evil, our flag be the one of the RDL!"

Mussel Muscles flexes in agreement, as it's really the only thing he can do (aside from prepare delicious desserts.) Tartar gives a "fins up" to add to it.

SJ: "Aye, and as long as we stick together, there's no way we'll ever be relinquishin' our gold! Especially not tonight here in Meridian, named after an important sailor's guide to the new world! But there is one thing that may put our merry party amongst the stench of wet kelp deep within Davy Jones' locker! And that's when we be without our Vitamin C! So boys, let's make sure we dine on these bountiful fruits, and AHOY WE WILL GO!"

Scurvy takes a clementine out of the basket and eats it whole, without peeling it. Mussel refuses, as it is not part of his all kale and protein-powder diet. Gil Nemo opts instead to squeeze the kumquat and drink the juice out of it but is having a really hard time doing so. The Petes eventually come down to the ring, with their first act being to stomp all over the basket of citrus fruit and squish it. This horrifies Scurvy who leaves the ring to tend to his orange treasures. The Tartar Kid still remains preoccupied with getting some kind of juice out of the kumquat, which left Mussel Muscles alone to try and fend off the attack of the Circle of Tyrants trio. They end up beating the crap out of him and ultimately win the titles, pretty much proving Scurvy Jones wrong with his earlier claim.

Joey Everclear: "Bros! The **Peat Monsters** won the World Six-Man belts, and we cleaned up against the Kudzu gang! Union Jack Puddings ate the **Single Barrel Slam**..."

Pete Ardbeg: "Some **Crustacean** suffered from the Peat Reek."

Pete Lagavulin: "Why do we say that like it's a bad thing?"

Pete Laphroaig: "I do nae know. That smell keeps food on my family's table."

Ardbeg: "He's probably too much of a poof to appreciate it."

Angus MacAllan: "Still the only tag team champions this league has ever known."

Andrew Aberlour: "Aye, and defending once again. These boys who love Taylor Swift are being shown the power of the **Notorious Sherry Bombs**."

Everclear: "Hey, I got a letter from Reesemart asking who our agent is. Do you guys mind if I tell them it's Rachel?"

DYNASTY

The Main Event Tag Team match between DYNASTY and NME's Redust and Bludust has ended with the victorious Shrug Shadow and Knuckles Nelson... The other two DYNASTY members join them in the ring...They are handed a mic.

Shrug Shadow: Take a breath, can you smell it? When Thirty plus thousand people blow the roof off a place, that's what a pop smells like. I'm gonna start at the beginning, because you have to start at the beginning because tonight IS a new beginning for the DYNASTY.

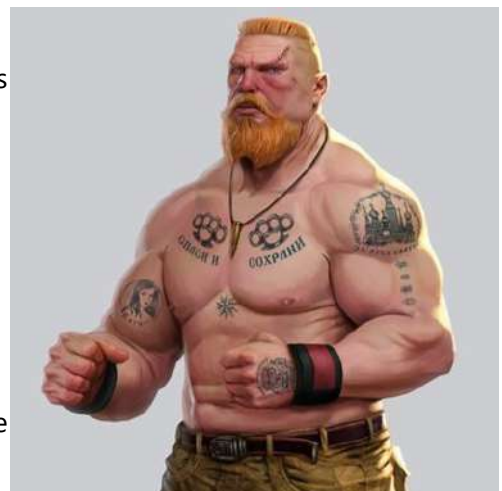

Now when I was a kid, like all kids, people ask you 'what do you wanna be when you grow up?' There was no gray area for me, I always knew I wanted to be a wrestler. And when that finally happened for me, it was the proudest day of me life. Since then I tried to uphold the standards that we, you and I and the rest of us set for ourselves... Until about a year and a half ago, I laid down on an operating table and when I woke up, these three people right here with me today were by my side.

Now, before we go any further. Diamond Daddy, you got this thing rolling, and I'm gonna go on record as saying, if there's a finer wrestler in all the land than you I don't know who it is. Your intensity, the first time I saw you wrestle, made you something special. You are something special in my eyes, you knew what it meant to be a champion. You will carry that tradition forever!

Diamond Daddy poses as the crowd boos loudly, Knuckles Nelson holds his RDL TV Championship high in the air!

Knuckles Nelson, you're hard-headed, a lot of times you're hard to be around, but the fact is in my eyes, you're all man and when this is all said and done, if I've got anything to say about it, you may be the most dangerous man in the RDL. Now Big Momma Cool, you exemplify what DYNASTY has always meant: over achievement. Being the very best you could be, each and every day of your life whether you were sick, or hurt, or whatever the case may be, and it makes me proud!

Ladies and gentlemen, we're gonna do exactly what we set out to do here in the RDL... and that is win and I can tell you this: heads are gonna roll! So stay out of the DYNASTY's way!

ELROY

THE SQUID

“Well, my arrival to this RDL has been a rather anticlimactic one, with my only title having been during tour #2, and to be sure you land lubbers haven’t seen what I can do. I am not only stylish in my seaweed loincloth but I am also very skilled.

You will see, you will see. In the meantime, maybe my comrades Lefty Scissors and Mr. Fritz can pick up some slack for a change...

“Right, and it seems like I have tournament matches against (checks notes) Pete Lagavulin and Yardbird Warrior. Well, okay then. May the best squid win.”

You Are Entering The Next Frontier Of Professional Wrestling.

Chaos during the weekly television taping for the RDL. Miss Americana has just finished a match, racking up an easy victory over a jobber in a basic squash match. The lights go out for a brief second and come back up.

Suddenly, Blackjack Kingman, Moore, Sutherland and the Executioners have come to ringside with their manager, The Oracle. They have the ring surrounded and are yelling profanities at the lady wrestler.

"This is six on one," the announcers shout. The members of TNF enter the ring and proceed to pummel Miss Americana. After a few minutes of beating her up, Moore and Sutherland hold her upright. The Oracle pinches her cheek and calls her "pumpkin."

The Oracle signals for Amos Freemason to throw him the branding iron they bring with them to ringside. "You want to play the big boys' game. We'll play the big boy game." The Oracle starts swinging.

"My God, they've opened up her forehead," the announcers yell. "Good Lord, there's blood everywhere." Suddenly, the members of Miss Americana's stable come out and it's an all-out brawl in the ring. The mayhem continues as the broadcast cuts to commercial.

"SLY GUY" SCOTT WARNER & BADD CO. ROCK WARNER

SCOTT: First thing's first and that's that it felt good to pick up a "w" on the very first RDL Show-Time and it felt even better that it came at that hands of a no-good, despicable low-life like Krampus! But, that's not the only thing I wanna talk about because we've got a slate of some pretty big matches coming up!

ROCK: That's right, and it all starts this coming cycle against the likes of the Old School Squad! Now, I've been backstage listening to you two bums run your traps about the Warner Brothers for just a bit too long and that all ends now! The four of us are about to climb inside that ring and we're gonna teach you punks a lesson in humility if it's the very last thing we do! And, after that, we're gonna roll right into DazzleCade where my bro is gonna take care of business!

SCOTT: Oh, hell's to the yeah! That's right. RDL World Heavyweight Title tournament and it all takes place in one night at DazzleCade '24. I've got Judas Muertas in the first round, and then who knows who after that. Truthfully, I hope it's Steve Douglas because I've got something to say to you, pal – but, words won't do it justice! At the end of the day, it doesn't really matter who it is, though, because you can come one or you can come all, but you're all bound to fall! Consider yourselves warned. WHOOOOOO!!!!

THE MYSTERIOUS BENEFACTOR

Great thing about this sport is that there's somethin' new waiting for ya around every corner and my time here in the RDL ain't disappointing in that regard. I recently issued an open challenge to anyone in the Razzle Dazzle League for a Best of 5 series with \$250,000 on the line. This is a challenge I've done a few times in the past and I've come out on top every time. But, I gotta say that this one's fittin' ta be my toughest challenge yet because it sounds like non-other than the Star Master himself has stood up to take the challenge.

Star Master, you're a great competitor whose reputation precedes you and the truth be told, that's exactly why I'm glad that you're the one to accept this challenge. So, just like the kid are sayin', it's on like Donkey Kong and we can get this thing started next cycle. Don't worry about a thing, I'll sign the matches, all you gotta do is show up. And, after I give you a bit of an ass whoopin', then I'm headed to DazzleCade to give a little bit of the same to that creepy ass goat-cheese, Krampus. By the time I get done with you, you'll understand why I always say that it's always better to give than to receive!

THE DAZZLES

FAB DAZZLE: I have not gotten off to such a good start on le Show-Time premiere and I have lost to le notorious referee, Ronald McMuscles. I shall avenge myself at the DazzleCade and take down le Star Master, who is to do the bidding de les Douglas family.

ULTRA DAZZLE: Si. Ric Douglas, you et tu familia have bitten off more than you can chew. It begins in DazzleCade, but this is far from the end, amigo. You have unfinished business with us? Non, muchacho. Les Dazzlers have much unfinished business with you and this will not go pretty for you, amigo!

MEGA DAZZLE: There is much old blood here in the Razzle Dazzle League, and that means that we have begun with much bad blood as well. We are going to have many great battles that lie ahead between our families and our empires, but in the end it is true that we shall razzle you and dazzle you with all great moves en route to victory!

Card 5: Held in Lincoln (Attendance 36,240)

(Co-Main Event: EDGE: Jake Gold vs “Chesapeake Crippler” Chris Kushnir. Retired IWA veteran Justin Sane is on commentary with Richard Trickle)

(...off a Jake Gold irish whip the two men attempt cross-body blocks sending them both crashing violently to the mat, ref starts to count....1!...2!...)

Sane: This match is just over the 25 minute mark with neither superstar giving in, an instant RDL classic.

Trickle: ...an IWA classic at this point, and that’s not to mention that Kushnir, who likes to be called C3K, already had a match earlier which he was victorious in, Can Chris make it a Topher tonight?

Sane: (looking visibly annoyed)

Trickle: Twofer..Topher? Tough crowd.

Sane: Anyway...Dick...both men are up at refs 8 count, Gold rushes in for a clothesline but Kushnir ducks! Kick to the gut, Kushnir has his hooks in and he hoists up Gold...THE HIPPIE CRIPPLER! Its over folks!

1...2...3

****Ding, Ding, Ding****

(RDL Ring announcer Lallana Rhoades...”And your winner The “Chesapeake Crippler” Chris Kushnir!!!)

Trickle: C3K acknowledges the crowd and now looks to be offering his hand as a sign of respect to Jake Gold after that epic battle of two meaty men. The Lincoln fans here tonight love the sportsmanship showed by these two athletes and I too...

[Cowboy Killer by That Mexican OT blares through the arena]

Sane: What is Esparza doing here? He already won his match tonight. Kushnir and Gold both look confused...Esparza has a mic in hand, what will he say...and to who?!

(“Supastar” Saul Esparza slinks his way into the ring to stand in front of both men when then Kushnir taps the shoulder of Jake Gold and blows a red powder into his face, blinding Gold. Esparza takes the microphone and smashes Jake Gold in the temple leveling him to the ground leaving him almost motionless)

Sane: We heard that was his calling card if you will, Old Bay in the eyes. Yes, you heard that right, the popular crab seasoning from the Maryland area Old Bay.

Trickle: I’m a Zatarain’s guy myself. Esparza is about to speak...

“Supastar” Saul Esparza: You nerds are about to learn today! There is this little magazine called “PWI”, I *know* you all have heard of it, they do a specific yearly version where they announce the top 500 wrestlers in the world, as a matter of fact I bet most of you nerds have this version on you right now. (...a surprising amount of the fans in attendance reach into their cargo shorts and pull out said version of PWI..)

Now flip back to number 490 and who do you see? ME!!! I am the only wrestler in the entire RDL, no, the IWA who can make that claim and now I am here to take everything from...*(whispers)*every..body. *(screams)* EVERYBODY!!! Ev-er-y...bo-dy. *(screams again)* EVERYBODY!!!! EVERY!!

(C3K playfully snatches the mic away from the semi-coherent “Supastar”)

“Chesapeake Crippler” Chris Kushnir: Whoa, you got the kid all wound up. And let that serve as warning to everyone in the locker room not to mess with ya boys...ya Old Bay Boys.

(...Kushnir drops the mic. Both men stand in the middle on the ring...)

Sane: The crowd does not like this as both Kushnir and Esparza use the fingers on their right hands to make an “O” followed by a “B” and another “B” to signify the arrival of the Old Bay Boys to the RDL.

Trickle: My Old Bay Boys Era.

Sane: (Looking visibly annoyed)

Randy Steel is backstage getting ready for tonight's action.

Randy: Look at this shiny RDL league title around my waist. I said I was gunning for the title and I took it right away. When you're this good, nobody can compete with me. I plan on continuing my domination in the singles ranks.

Tony Cage and Mr. Money Bags are in the ring. Both men grab a microphone.

Tony: Warner brothers, you see these TV Tag titles around our waists. As I said, we're going to take over the Tag division. We'll see what you have when we meet up in our match.

Money: Tony, you're right. Warners aren't on our level and never will be.

Nature Boy Steve Douglas: I'm wrestling some guy named Joey Everclear. Wonder wasn't what clear when he thought he was somebody in the RDL. You'll be embarrassed by a legend tonight. As for the **Fizzlers**, I mean **Dazzlers**, you were finally able to win a title. If history repeats itself, you'll be back on the rankings page soon.

Yard Bird Warrior

Representing COT/Gun Collection

In the Bamboo Grove Dojo, Yard Bird Warrior stood in the center. Around him, the wooden dummies bore marks of kicks and punches. Avocado from Mexico and Flamingo the Finisher flanked him, their eyes fixed on the master at work.

Avocado: (panting) Yard Bird Warrior, I can't do this anymore. Cluck-Fu is just too much for me...

Flamingo: Yeah, Yard Bird. I'm getting the hang of it, but Avocado--

Yard Bird: Enough! Avocado, Flamingo, listen closely. Cluck-Fu isn't just about kicks and flips. It's about resilience, spirit, and never giving up. Avocado, you're just a ripe avocado – soft on the outside, but inside, you've got a put of determination. You think Flamingo here was born doing flying kicks? No! He fell on his beak more times than I can count.

Flamingo nodded, his long neck bobbing.

YBW: Avocado, life is like a guacamole recipe. Sometimes you need a little salt, sometimes a dash of lime. But you never give up. You keep mashing, stirring, until it's just right.

Avocado from Mexico's eyes glistened. His green skin flushed with embarrassment.

Avocado: But Yard Bird, I'm not cut out for this. I'm just an avocado.

YBW: Avocado, listen. You're not just an avocado. You're Avocado from Mexico. You've traveled across borders, survived the guacamole war, and made it to this dojo. You've got the heart of a jalapeno and the soul of a tortilla chip!

Flamingo: He's right, Avocado! You've got more layers than an onion! Don't quit now!

YBW: Remember, Avocado, the pit inside you – the core of your being – that's where your strength lies. When life squeezes you, don't turn into guacamole. Stand tall, like a saguaro cactus in the desert.

Avocado: But when I fail?

YBW: Failure is just a pit stop on the road to greatness. You fail, you rise, and you keep going. Cluck-Fu isn't about perfection; it's about progress. Now my Avocado friend, let's mash those doubts!

Avocado: I won't give up, Yard Bird. Not today, not ever!

PORCH BEER

Representing COT/GUN

The half-man, half-beer can, sat on his creaky porch, the wood groaning under his weight. The sun dipped low, casting long shadows across the cracked concrete. His rocking chair swayed back and forth, creating a rhythmic pitch that begins to speak as well.

Porch Beer: Damn, that match against Union Jack Puddings really did me in.

Rocking Chair: You gave it your all, Porch Beer. But that Puddings—he's slippery. Like trying to catch a greased pig at the county fair.

PB: I had him, ya know. Had em pinned right there in the center of the ring, but...it wasn't enough. He done recycled me.

RC: It happens to the best of us, Porch. Wrestling ain't just about strength and speed. It's about strategy, mind games.

PB: You're right, old friend. There's always next time to pop open a can of a good time. I'll be ready then.

RC: Damn right you'll be. You'll be champion of the world!

PB: (pounds his chest) When you're right, you're right!

"RAGING ROOSTER" SIR CLUCKSTON Q. JENKINS

REPRESENTING COT / GUN COLLECTION

Sir Cluckston Q. Jenkins leaned over the rusty water fountain backstage. His beak dipped into the stream, and he took a long, refreshing gulp. The cool water trickled down his gullet, rejuvenating his poultry spirit.

Just as Cluckston wiped his beak with his cape, Redust stood, arms crossed.

Redust: Well, well, well. Look who's breaking the rules again.

Cluckston: Redust! What brings you here? Can't a chicken get a drink without being harassed.

Redust: Chickens aren't allowed to drink from the water fountain. It's for humans only.

Cluckston: (feathers ruffling) Humans! HA! I've faced giants, masked luchadores, and even a sentient turnip! I'll drink where I please.

Redust: Not today, Cluckston. Today, you learn your place.

Before Redust could cluck another word, Cluckston lunged. His wings flapped, feathers flying, and his talons aimed straight for Redust's jaw, crumpling like a discarded ticket stub.

Cluckston: Chickens may not be allowed at the fountain, but we sure know how to throw a punch.

Sir Cluckston strolls away, leaving Redust lay sprawled on the concrete floor, defeated and drenched.

KRAMPUS

REPRESENTING COT/GUN COLLECTION

Krampus, the embodiment of terror, loomed backstage, his horns casting eerie shadows on the walls. The air thickened with malevolence as he awaited his interview. The interviewer, trembling, approached, clutching a crumpled notepad.

Interviewer: uhh....hi....thank you....uh...for granting me this—

Krampus: Cut the pleasantries, mortal. Ask your questions.

I: Uh, okay. So your recent match against Sly Guy Scott Warner—

Krampus: Sly Guy...that fool. BAH!

I: But he—

Krampus: Enough! I tire of your prattle!

Krampus lunges, grabbing the interviewer by the collar.

Krampus: INTO MY BAG, YOU INSIGNIFICANT WORM!

Krampus forces him into his tattered sack. Krampus swings the bag over his shoulder, as the interviewer screams. He hurls the bag against the wall. The interviewer's muffled cries fade.

Krampus: Foolish interviewer. Foolish questions.
