## **FLASH REPORT**

### **w/ Warren Peace**

Welcome to another captivating RDL Report. I'm your Commissioner, Warren Peace, and as always we've got a lot going on here in the Razzle Dazzle League!

First off, I want to give a hearty welcome to a couple of our newcomers to the league. It's always great to see new, fresh faces here in the Razzle Dazzle and I'm even more excited to see that you're bringing some good trash talk along with you! I always say that that's the heartbeat of any thriving league!

Now, on the other side of things, I have to say that I'm very discouraged by what appears to have been a sudden mass exodus from the league. Several managers have either left or gone inactive in the past two cycles and it's really jolted the RDL from being a powerhouse league in the IWA to fairly mediocre from a metric standpoint. No worries, though. We'll keep doing what we do and keep plugging away at things. Hopefully some of our inactive players will return sooner rather than later and I'm sure the consistency of this report and the trash talk section will attract new players before long.

That being said, the card is shaping up for Raz-Slam over this summer. Lots of great matches are lined up, so be sure to check out the preview and get some trash talk submitted to hype up those matches!

We also have the PWI MITB PPV taking place. The results for that event are based on THIS cycle! So, best of luck to those involved and I'm looking forward to seeing how you each represent this league on the big stage. I also need to acknowledge that following the PPV, the RDL actually will host the first PWI Universal Title defense just a couple cycles later. I have a triple threat match to determine who will represent the RDL as the title contender, but I've left the challengers TBD at this time until I see who emerges from the title tournament at MITB.

Well, that's all from me for this cycle. Best of luck to everyone on a great cycle and I truly want to thank those of you that have remained consistent in this league from day one. It's because of you all that this has been one of the great leagues of the IWA over the past 2-years!

## **UNIVERSAL TITLE QUALIFIER**

Union Jack Puddings  
d. Doc Porkenstein

The opening bout found our former World Champ, Union Jack Puddings, in search of his mojo and in desperate need of a big win. Thanks to an outside distraction from the Heartbreak Prince, however, this was not where he was going to find it. Miss Americana got the win and retained the Mr. RDL Championship.

Avocado from Mexico edged out Joey Everclear in a closely contested battle. Following the match, however, Avocado appeared to have a miscue with one of his 'mates, the Yard Bird Warrior. The tension carried into the backstage area following commercial break.

The Klu-Cluck Crew kept their momentum going as Flamingo the Finisher defeated Corvulu the Torrent in a MITB Qualifier Match. Flamingo was a last-minute replacement for Chad Snazzington, who was scheduled to compete, but is no longer on the RDL roster.

Big Momma Cool and Shrug Shadow pulled out a huge upset victory over Gil Nemo and Mussel Muscles. The victory puts them in the PWI Universal Tag Team Title Tournament.

In the main event, Union Jack appears to have potentially found his mojo afterall. He was able to defeat Doc Porkenstein in the qualifier. During the match, Porkenstein the Monster attempted to interfere, but the effort was thwarted by - of all people - the current RDL World Champ, "Bayou" Cody Beau.

## PRO WRESTLING IMITATED

ASL, LWL, RDL, XPL

## THE PWI REPORT

Folks, this is it! This is the cycle in which the PWI Money in the Bank PPV results are based on (results will be published in next cycle's report). The brackets are set and we have superstars from the XPL, ASL, RDL, and LWL competing in four different contests, each with their own level of prestige involved.

We have 8 superstars competing to be crowned the first-ever PWI Universal Champion. We also have 8 tag teams competing to be crowned the first-ever PWI Universal Tag Team Champions. Before either of those tournaments are completed, however, we also have what will become the first-annual PWI Money in the Bank Ladder Match where 8 superstars will compete in a single match. The winner will be the first wrestler to successfully pull-down the briefcase suspended above the ring. That briefcase contains a wad of cash and a 12-month contract that allows that wrestler to cash-in a title shot against ANY PWI Champion at any time they choose. Please review the rules for cashing-in, which can be found in the match section of the PPV preview.

Now, once the PWI Universal and PWI Universal Tag Team Titles are established, they will be defended every 2-cycles on a rotating basis throughout the PWI leagues. The schedule for those title defenses is found in this report as well.

One thing to note for all future PWI Universal and PWI Universal Tag Team title matches is that there is a trash talk bonus available to wrestlers involved those matches. **Anytime a wrestler (the champion or challenger) submits a trash talk segment IN THE LEAGUE WHERE THE TITLE IS BEING DEFENDED specifically promoting the title match, they will have 3 bonus points added to their strategy total for that match.**

For example, let's say that Nick Dane (ASL) wins the Universal Title Tournament. His first title defense would be Cycle #12 in the RDL against a contender that the RDL Commish designates. If Nick Dane submits **a title defense promo to the RDL** that cycle, he will have 3 points added to his strategy total. If the RDL contender submits a **trash talk segment in the RDL** that cycle that acknowledges his title match, then he would also have 3 bonus points added to his total. This rule is designed as a benefit to the leagues when they host the PWI Title Matches and also to increase the likelihood that our champions are consistently trash talking.

The contract can be cashed-in at any time of the winner's choosing within a 12-month period provided that it's communicated to the Commissioner prior to the Iron of that cycle. The person cashing-in the contract automatically receives a 2 point handicap in the title match due to the element of surprise. ### Money in the Bank

Each league sends 3x representatives of their choosing to compete in a special MITB match. The winner earns a contract that they can use to cash in for a shot at any title in the entire PWI of their choosing over the next 12-months. Title matches must be disclosed to the Commissioner prior to any score calculation that would be used for the match. Special handicaps will be applied to various scenarios.

### Survivor Series

Each league will coordinate 2x four-on-four Survivor Series matchups that will utilize special scoring to determine the survivors. Next, the survivors from each match will compete in a Sole Survivor free-for-all in which the winner will earn a PWI Universal Title shot at the Royal Rumble.

Additionally, a tag team Survivor Series battle royal will be held. Each league will send one team to compete in an over the top battle royal using combined singles scores. RDL Showtime comes back from commercial break when the giant screen in the arena lights up. There, in what appears to be a private jet, "Big Deal" Dixon Mogul can be seen wearing a green striped dress shirt, a pair of Navy Sanita Wool Dress pants, and a pair of Dark Brown Devon Leather & Cotton Brogues. To his left is Lily Collins and to his right is Sydney Sweeney, both of whom are in white evening gowns. DM: "RDL Commissioner Warren Peace, do you know why I should be the RDL World Heavyweight Champion? Do you see what I'm wearing? Do you see who I'm with? Do you see what we're in right now? On top of that I eat breakfast, lunch, and supper at the most expensive restaurants while staying in the most expensive suites at the most expensive five-star hotels. World Heavyweight Championships were made for people like me so this is what I need you to do. Find whatever curtain jerker is currently holding the RDL World Heavyweight Championship, take it off of him, disinfect it, and then hand it to me on a silver platter. However you still have me going against Pedro Pascal. So Pedro, you will be the first victim of my new finisher, a scissored ankle lock that I call Deal Breaker II. " The giant screen in the arena goes black.

Then "Y.M.C.A." by Village People comes on over the P.A. system as Michael "Always Greedy" Accord comes out in a red "Make America Great Again" baseball cap, a Donald Trump mugshot shirt, a pair of red wrestling tights with DJT in gold on each side, and a pair of gold high-top sneakers. He has a microphone in his right hand and waits for the song to die down before starting to speak. MAGA: "Basket Case Sid Skyscraper, you currently have the title i want so you'll be the next victim. I didn't know what Basket Case meant so I had to look it up. I admit I'm poorly educated. After all, it took me three years to graduate from kindergarten. But Sid, do you know who else is useless like you? The stupid trash liberals. If they want to be useful, like me, they need to start out every day exactly like I do. Worshipping at my altar to the greatest President that America has ever had, Donald John Trump." "Y.M.C.A." by Village People comes back on the P.A. system as Michael Accord turns around and heads towards the back.

# "RAGING ROOSTER" SIR CLUCKSTON Q. JENKINS

## *REPRESENTING COT / GUN COLLECTION*

A rundown boxing gym in the heart of Gizzard Gulch. Sir Cluckston Q. Jenkins spars with Too-Tall Jerry.

Cluckston: Ladies and gentlemen, peasants and poultry! Observe as the pride of the coop sharpens his talons for his next battle...with this overgrown bean sprout!

**Cluckston jabs Jerry right in the gut. He doubles over and flails one long arm accidentally slapping a protein shake clean out of a VERY large bodybuilder who wasn't paying any attention near the corner.**

Bodybuilder: Hey! That was a limited edition banana-creatine crunch!

Too-Tall Jerry: It was the chicken! He did it!

Cluckston: How dare you besmirch my noble feathers, sir! Do these wings look like they juggle smoothies?

Bodybuilder: Whoever it was, I'm about to wring your neck!

**Too-Tall Jerry tries to leave the ring in a hurry but gets tangled in the rope and falls out of the ring, and bounces off a yoga ball. Sending him face first into a giant banner that reads "Get Fit or Get Fried!" Too-Tall Jerry's head pops through the banner.**

Cluckston: May this be a lesson to you, you very large tall drink of expired milk, do not blame things on someone of my calibur. Now if you'll excuse me, I have more training to do.

**The bodybuilder heads out of the ring and picks up Too-Tall Jerry over his shoulder and takes him outside for a beating.**

# "BAYOU" CODY BEAU

*"Now y'all listen close, 'cause I ain't gonna say it twice. The Razzle Dazzle League? That's my swamp. And this here—" [slaps the title belt] "—this is the crown jewel sittin' on top of it. Raz-Slam's just around the bend, and comin' outta the shadows is that squealin', schemin' meat doctor, Doc Porkenstein. Boy, you been playin' with test tubes and syringes too long. You think you can dissect me? You think you can carve up the champ like I'm one of your experiments?"*

*"You better bring more than science, son. 'Cause in the bayou... science don't mean squat when you're drownin' in deep water. But I ain't blind. I know what's waitin' on the other side. Ice Man's sittin' patient, chillin' with that King of the Ring crown—lookin' to freeze my momentum dead. And my ol' mate Union Jack Puddings? He wants his belt back, and I don't blame him. But Jack, brother... when the time comes, you better bring your best. 'Cause even friendship sinks in these muddy waters if you come for the gold."*

*"And as if Raz-Slam weren't enough, I'm still walkin' into war. Showtime tag action with my ride-or-dies—Sly Guy Scott Warner and Union Jack—takin' on the so-called Legends of Wrestling. We ain't just steppin' in the ring... we're steppin' on legacy and makin' a new one."*

*"Then there's that Universal Title Tournament at Money in the Bank. A new mountain to climb. Another jungle to conquer. While some folks struggle just to make the card... I'm main-eventin' all over the place. That ain't braggin'. That's just Bayou Business."*

*"Doc, Ice, Jack, Legends, the whole world—y'all can come at me. One by one or all at once. This belt don't leave my shoulder 'til I say so. I am the storm in the swamp. I am the heartbeat of the RDL. And at Raz-Slam, the bayou bites back."*

*"Come take your shot... but don't miss."*

# ULTRA DAZZLE

**“HOLA, RDL!! I AM STILL YOUR RDL SHOWTIME CHAMPION, AND MI CORAZÓN IS BEATING FAST, BECAUSE RAZ-SLAM IS ALMOST HERE! BROOKLYN, NEW YORK—YOU BETTER BE READY FOR LUCHADOR FURY! YOU SEE, LAST TIME, I FIGHT THE BIG, STRONG MAN—MUSSEL MUSCLES. HE HIT ME HARD, MUY FUERTE, AND YES... HE WIN THE MATCH. BUT! HE NO PIN ME! HE NO MAKE ME TAP! I LOSE... BY COUNTOUT! BUT NOW? TRIPLE THREAT. NO RUNNING. NO HIDING. JUST ACTION, ACTION, ACTION!”**

**“AND KRAMPUS... EL MONSTRUO MALO. YOU WANT TO BREAK BONES, SCARE CHILDREN, RUIN NAVIDAD? NO, NO, NO... IN MY RING, YOU WILL NOT BRING COAL... YOU WILL ONLY GET CLOBBERED! MUSSEL MUSCLES... AMIGO, I RESPECT YOU. BUT THIS TIME, THE MATCH ENDS IN THE RING. AND I WILL SHOW YOU, AND THE WHOLE RDL UNIVERSE, WHY THIS BELT IS STILL MINE!”**

**“BECAUSE AT RAZ-SLAM... I’M GOING TO DAZZLE YOU WITH ALL MY GREAT MOVES!”**

# ICE MAN

**"Y'all feel that chill in the air? That ain't the A.C. — that's Ice Man, baby. Cold-blooded, laser-focused, and comin' straight for the top. . already did the work. I already earned my shot. I won King of the Ring—RDL style. I went through bodies like a blizzard through the bayou, and now I'm sittin' here, real patient, real calm... waitin' to see which one of you boys make it outta Raz-Slam with that shiny gold strap."**

**"Cody Beau... I see you. You been holdin' onto that RDL World Title like it's a family heirloom, but lemme tell you somethin', son—ice melts everything. And Doc Porkenstein? Don't think I forgot you. You sending your Monster up against me this week on Showtime. Big, bad, ugly—don't matter. He's goin' down quick."**

**"Then after that, the Harbinger wants to step in the cold? He better bring fire, 'cause I'm puttin' out anything that moves until I get that title match. Easy work. Back to back."**

**"So whoever walk outta Raz-Slam with that RDL World Championship... just know this: you ain't holdin' it for long. The forecast calls for ice... and a new world champ."**

# Attack from the Legends...

*The camera cuts to the ring as the bell rings, signaling the end of a match in which the Tartar Kid Gil Nemo has found himself victorious.*

*Announcer #1: "Tartar Kid Gil Nemo does it again! Another scrappy, slippery victory from the sea-slick sensation! That man has the heart of a barracuda!"*

*Announcer #2: "But wait... what's that sound? That's not his music..."*

*The arena lights dim and a low, ominous chanting begins to echo through the speakers. Smoke rises at the top of the ramp as a deep voice booms through the arena PA.*

*"Blessed are the cruel... for they shall inherit the ring."*

*The crowd erupts in boos as Father Nurgle, the sadistic preacher and mastermind behind the Legends of Wrestling, appears on the stage in his dark cassock and tattered clerical collar, smirking with vile delight. Behind him stomp Porkenstein the Monster and Krampus, both snarling and dragging chains.*

*Announcer #1: "Oh no... it's the LOW! This can't be good!"*

*In the ring, Gil Nemo, still catching his breath, wipes blood from his lip and stands tall, staring defiantly as the trio marches toward the ring.*

*Announcer #2: "Nemo's been through a war—he's in no shape for this!"*

*Suddenly, Porkenstein slides into the ring under the ropes and blasts Nemo with a bone-crushing clothesline. Krampus climbs the apron and enters, wrapping his spiked chain around his forearm.*

*Announcer #1: "Come on! The match is over! This is a mugging!"*

*The two monstrous LOW members begin pounding on Nemo. Porkenstein delivers a series of body blows while Krampus rakes the chain across Nemo's back, drawing gasps from the horrified crowd. Father Nurgle stands at ringside, laughing and raising his hands as if conducting a symphony of pain.*

*Announcer #2: "Where's security? Where's the locker room? Nemo's being sacrificed out here! "*

*Then, the lights flicker blood red and a sudden blast of fire explodes on the ramp. Emerging from the smoke is the towering, otherworldly presence of the Supreme Overlord, his flaming gauntlet glowing with arcane energy.*

*Announcer #1: "No... no no no! Not the Flame Ball! He's gonna toast the Tartar Kid alive!"*

*Just as the Supreme Overlord raises his fiery hand— The crowd explodes with cheers as Mussel Muscles the Crippling Crustacean charges down the ramp, claws flexing and roaring in fury! Behind him come Sly Guy Scott Warner and Union Jack Puddings, rallying the fans as they sprint toward the ring.*

*Announcer #1: "The cavalry's here! Mussel Muscles! Sly Guy! Union Jack! This is justice, baby!"*

*Porkenstein and Krampus quickly retreat, dragging each other out of the ring as the fan favorites slide in. Father Nurgle calls off the Overlord, who lowers his flaming hand with a hiss and vanishes into the smoke. The crowd is on their feet.*

*Announcer #1: "LOW thought they had this ambush in the bag—but the RDL's finest just sent them packing! "*

*In the ring, Nemo is helped to his feet by Mussel Muscles, who clenches his claw with pride. Sly Guy pumps up the crowd while Union Jack waves the Union flag high overhead.*

*Announcer #2: "The Legends of Wrestling tried to write an obituary—but instead, they wrote a receipt. And baby, it's coming due at Raz-Slam!"*
