GREG E. Money: San Francisco California !! Kiss my a\$\$!! Just like that delusional absent minded GENTLEMAN JARVIS you are all even far stupider and less educated then you look !! HAHAHA (He lets out a deep rich laugh in his Patrick Warburton like voice. The crowd floods the arena in a wave of boo's) Over the last few weeks NEW MONEY INC. has been the target and focus of JARVIS and his group of misfit toys and the CWO. Personally I'm glad those 28's wear masks those dudes are ugly !!! Gentleman Jarvis: Hello! Do you remember me? I'm Gentleman Jarvis, the keeper of the urn. And I want to welcome the Commissioner of the RTL! What took you so long to get here? Did you forget to say its name...

ICHI ICHIKAWAWA!

A puff of smoke appears in the RTL's Commissioner's office. The smoke fills the whole area and all that can be heard is screams. The smoke clears and the Commissioner cowers in a corner crying with blood dripping from his head. He looks like he saw a ghost.

Gentleman Jarvis: Rolling Thunder League, it is time for everyone to run and hide! RTL is now its playing ground and anyone still here when it appears will be devoured in fear! What ever you do, don't turn out the lights!

The lights go out and fans scream as a spotlight comes on and shows the monster standing in the crowd. Fans in the area scream and run away. Another spotlight comes on and reveals the monster in that area. Another spotlight comes on and shows it is standing there. Fans scream and run out of the arena. Gentleman Jarvis is lit up by the finally spotlight and stands in the ring laughing as the arena empties. The spotlights go out except the one on Jarvis. The monster comes into the light and stands beside Jarvis as he continues to laugh.

Gentleman Jarvis: Rolling Thunder League, your time is up!

The Masked Twenty Eights with their manager Gentleman Jarvis stand in the RTL's Commissioner's office. They are in a heated conversation with the new Commissioner who does not look impressed.

Jarvis: Commissioner, I'm Gentleman Jarvis! The proud manager of **the Masked 28s, Bernard Bouchard, Guy-Michel Gagnon, and Jean-Pierre Tremblay!** You drafted this team as your main six-man team! We demand to know where our bus is. And it would be nice if you would tell us where our personal jet will be so we can travel in style? We will be taking the night off tonight also so then we can get settled into our new living arrangements that you promised! As we told you when you drafted us, we demand the best!

The Commissioner stands up from his desk and kindly escorts the men out of his office and slams the door.

Jarvis: But Commissioner, Sir? Uhh, okay, you are busy, I can see that but sir. Where is our bus? Trailer? Uhh, suite? Hello? Commissioner? Oh, come on! We know you are in there! We can see you in the window! Open up! We demand to be treated like Luthor Alexander! Senor Lucha? Joe Boring! A Von Snapp? Ok, this is going to be reported to the IWAR Network complaints department! *(He turns and looks at his wrestlers.)* I told you guys we should have snuck into the NWL!
