Here's the deal. **Elrod the Love Sponge** is in the TCW. Booowwwwow wow. I want some free matches for meeeeeee.....so commissioner if you want an IWA legend in your league I suggest you hizand izout the frizzee mizatches. I heard a rumor there's no tag and six man matches here because people here think flow is something your wife or girlfriend gets when she sees me. Meeeeeeeeeeeeeeee. Is that ole fren **Sly Smith**? He will tell you, Elrod the Love Sponge is a vessel of entertainment. You want eyes on your league you get a hold of meeeeeeeeeeeee. I'm that dirty little secret in the IWA you told to someone on Chat Roulette years ago. Just with less squirt. The story was amazing. Amazeballs even. Well here I am. You got a character? That's sweet I am the character. Lots of characters bouncing around the IWA Bounce House in my head I am. So here's the deal. Mr. Commish are you using Windows 2000? Why is your default font Times New Roman Look, your either with the Sponge or against the Sponge. Choice is yours. F this place it's B.S. I'm outta here.

(TCW Commissioner THE REV JAYARE is standing in the middle of the ring with a microphone, as Waymaker fades out of the Speakers. But before a word could be said, the lights go out on everything but the Video Screen above the entrance way. The Screen shows a swamp in the middle of the night and a Southern North Carolina voice speaks over the sounds of the swamp.

(VWG:) He said there would be false profits..... Ones who came in his name.... To bring the good news of Hope, change and opportunity.... Hope of a new chapter with new beginnings with no baggage of past transgressions. Claiming they can CURE life's woes man. Leading to the Global recognition as the Leader of the flock. So I figured, why not me man. Why not the Shepherd. Maybe it's all part of the GRAND DESIGN man, and all you have to do is remember his words and "LET ME IN."

(Sang in melody) "Time.... Is in my side....."

(And with a flash of the video monitor the swamp scenes are now gone replaced by a old pocket watch being suspended by marionette puppet strings and a eerie melody being hummed, as the TCW Commissioner looks on in disbelief and thinks about the message that was just given.)

Reagan Race- TCW, the time has come and destroy gone. The next generation of stars have aligned and we have Total Championship Wrestling. Opportunity, new opponents, the battles are set to begin. A providing ground with a lot for me to prove in and out of the ring. I'll prove i can stand toe to toe with anyone with this mic in my hand and I'll prove that I'm second to none in between these ropes. I heard Tay, I heard the Rev, a lot of chatter, I hear you both and I can't wait. The anticipation is intoxicating to be honest, and intoxication that I needed to get out of me and you need to be the brunt of. The Ring is calling us. Who wants to be first to experience my brand of TOXIC.

The Milk Man

10/5/2024

Yo, it's The Milk Man, stepping in the ring,
Bringing calcium power, hear the crowd sing.
Got the dairy strength, muscles like steel,
When I hit the mat, you know it's for real.

Chorus:

Milk Man, Milk Man, he's the cream of the crop,
In the wrestling world, he can't be stopped.
Facing Wrestler X, the mystery's deep,
But The Milk Man's here, and he's ready to sweep.

Verse 2: Wrestler X Appears

Out of the shadows, comes Wrestler X,
No one knows his name, he's got the crowd perplexed.
Moves like a phantom, silent and swift,
But The Milk Man's ready, he's got the gift.

Chorus:

Milk Man, Milk Man, he's the cream of the crop,
In the wrestling world, he can't be stopped.
Facing Wrestler X, the mystery's deep,
But The Milk Man's here, and he's ready to sweep.

Bridge:

The crowd's on their feet, the tension's high,
Milk Man and X, under the spotlight.
Who's gonna win? It's anyone's guess,
But The Milk Man's here to prove he's the best.

Verse 3: The Final Showdown

The Milk Man charges, with a powerful slam,
Wrestler X counters, but Milk Man's the man.
With a final move, the crowd goes wild,
The Milk Man stands tall, victory styled.

Chorus:

Milk Man, Milk Man, he's the cream of the crop,
In the wrestling world, he can't be stopped.
Facing Wrestler X, the mystery's deep,
But The Milk Man's here, and he's ready to sweep.

Outro:

So remember the name, The Milk Man's might,
He took down X, in the ultimate fight.
In the wrestling ring, he's the one to beat,
The Milk Man reigns, can't be discreet.

TAY CRYPTO JR.

Lots of members of the **CURE** in this league and I am not liking it one bit but I will just have to show I have a cure to the **CURE** and it might be my wrestling style or the "Back Jack" between the eyes. I'm going to start with **Troy Shazak** since he wants to use the ropes to get me out of the battle royal instead of how real men do it. Next looking forward to mixing it up with **The Rev JayAre** the big shot wrestler/commissioner and member of the **CURE**.

Oh, mighty Commish I am tipping my mask to be in your gauntlet challenge tournament so I can get my hands on as many **CURE** members I am able to.

While walking around the back area during a recent TCW show in Hyde Park in front of almost 10,000 fans I kept thinking X marks the spot...X marks the spot.

This made me remember the dumb joke about the guy that marked the side of his boat with an X to remember where he buried his treasure. Then I saw some blow hard with gloves on doing a promo and I thought well that is dumber than that old joke.

Hey Speed Racers brother Mr. **X** let's see what all your talk is about. Not sure if you have any plans for the upcoming TCW WrestleFEST 24' but other than that gauntlet match I plan to be in maybe we can spend a little time together in "your house". Let me assure you there is no doubt in these eyes mister.

BACK JACK DEFINED:
AS YOU THROW ME INTO THE ROPES OR LIFT ME FOR A SUPLEX OR JUMP OFF THE ROPES TOWARDS ME I PLANT A NICE STIFF FOREARM/ELBOW FUSED TOGETHER FROM A PAST SURGERY. THIS MAKES THIS STRONGER THAN THE NORMAL FOREARM/ELBOW SMASH AND MORE LIKE A BONE MADE OUT OF A STEEL BAR. YOU THEN WAKE UP AND I HAVE LEFT THE RING...THE WINNER.

Drake Douglas- they say history repeats itself, and in my mind I circle back to the Generation Next league, a league with a buzz, a league that had a band of misfits, a few guys who'd been a round a few years, and newcomers. A league that promised everyone the World and then some. A leader with those Heyman type qualities that before the first bulletin was printed we all were sold on. Bulletin number 1 comes and who is standing atop of the mountain, none other than Drake Douglas, 40-0, league champion and looking to the next cycle for the next fight. That's when I shocked the world and dismantled the leagues golden boy for the next 10 cycles and became the GNL World Champion, and the rest in GNL was history and I basically wrote my own manifest destiny for a league that could've been but was something so much to us at the time.

Now fast forward several years later and we have TCW, we have a buzz, we have leadership. We have a roster that's hungry, looking to fight and that's what we did last cycle. At the end of it all, history repeats itself, Drake Douglas 1st TCW League Champion, 40-0. Now don't take my boasting as anything because I'm not a dick, and I know that record will be blemished, but I'm ready for the fight. I'm ready to take on everyone and anyone. I don't care if its Rev, Flex, Muscles Magee, or Race. The Global Championship is coming this way, you all can accept that now or just simply wait and see.

Ace Anderson- I see J Superstar but I don't truly see a star, more of a dud, fart in the wind type. A guy who dreams of being the guy but doesn't have the ability to grasp that brass ring. So Superstar, any chance you can muster up enough nut and prove me wrong? Odds are I know the answer and it's no but if the office wants the match they'll sign it and guys like you know the drill-Pin me, pay me. You get it right pal? It's simple. Shall I wait to hear from you? The Office, or should I take matters into my own hands? Nut up pal, step up and meet me in the ring. Take the beating like a man so I can move on to the next victim.
