Your commish has spoken. 😊

TAY CRYPTO JR.

As I get ready for my match with **Ace Anderson** at **WRESTLEFEST 24'** it has been good practice going through all the talent in the TCW. A lot of competitors have stepped up and kept things interesting but more than not I have a win.

As we all deal with draws and ties from time to time, I do think it is a great way to show others how close they can come to greatness by keep up with someone like myself.

I hope I was able to show them that they can be a good competitor and to keep trying and someday, but probably not, they can be close to my talent in the ring.

Lastly, I might wear a mask but I do see clearly and I clearly see you **Drake Douglas** and your trash talking and your titles you like to give me. The rankings show you up there and I see me coming in fast. Keep looking back because your view is going to be impeded by a **Back Jack** for your efforts.

The Fish Fam

(Camera Fades into the back room of a local vegas strip club)

Fishman: well well well, so this is the tcw....doesn't look like much. Where I come from family is family, and they work together in order to do what's needed to survive and thrive. And the fish fam has done that well...now the tcw and the iwa are on the list of things for us to take and twist into whatever we need them to be. I've brought a little help with me for the tcw, my uncle dicky, who taught me pretty much everything i know and is my right hand and most trusted advisor.

Uncle dicky: you got that right cuz, with us two here, there ain't going to be much that can stop of from taking what we want and running this joint in no time. I see a lot of weak, pathetic men posing as wrestlers, and i plan on exposing them for what they are.

Fishman: that's right, so watch your back, cause this is only the beginning!

(The Video plays with a grainy not in focus camera shot of Vincent Wyatt Gacy siting in a dark room. You can't see anything around him, all is totally black)

(VWG:) I should have known..... Should had known that while I was focused on one Cure, another would take its place..... This whole place is overrun man..... But I won't lose focus.... I will get my Fools Gold back.... I know what I must do, and what I need to do it. Something I tried not to yield. My beautiful flock..... But now I have no choice... What does the lamb care of the wolf in sheep's clothes, all will be revealed when the wool is sheared. And my DEATH EATERZ WILL RISE.....

(3 Figures step behind Gacy out of the darkness. Two women with blond hair and one dark haired man all putting a hand of comfort on Gacy.)

(VWG:) FOLLOW OR RUN!!

The Milk Man: Calcium Fortified

12/8/24

The Milk Man stands in the center of the ring, a spotlight highlighting his determined expression. He's clad in his signature outfit, chugging down a jug of milk before he speaks.

"Well, well, well, if it isn't the joker who thinks he's got jokes! The 'Man Milker,' huh? You think you're clever calling me that? What you don't realize is that you've just uncorked a whole dairy storm that's about to rain down on you!

You see, I don't just pour the milk; I bring the thunder! Every gallon of this pure, unadulterated strength is ready to drown out your pitiful insults. You think you can come to my dairy farm and milk my reputation dry? Think again!

I've got more calcium-fueled power in one arm than you've got in your whole body. When we step into that ring, you'll understand why they call me The Milk Man. It's because I deliver. You might be good at running your mouth, but when that bell rings, the only thing you'll be milking is your bruised ego.

You'll feel the full force of my Lactose Lariat, the strength of my Dairy Drop, and the finish of my Milky Way Slam! So keep running your mouth, 'Man Milker,' because when it's all said and done, you'll be crying over spilled milk, and I'll be standing tall, raising my jug in victory.

Prepare yourself, because the cream always rises to the top, and you're about to get churned!"

[The crowd roars in approval as The Milk Man raises his milk jug, staring down his opponent with fiery determination.]

For I'm The Milk Man: Calcium Fortified

Reagan Race- you know its funny Cryptio, very funny that you are trying to leach onto me. I see exactly what you are doing, you need the protection from CURE because 1-1 or 5-1, you know you have no shot against them. me on the other hand, i don't care about the numbers, i don't care who from CURE it is, i'll stand face to face with any and all of them. I'm letting it know that i'm calling out the Ace Anderson, hell I'm calling out D.M. Hunk, any of those frauds want to step up and face me and they find out what others have unfortunately found out about Reagan Race and that's that he hurts people. So commish, wave that wand, sign the match or let's see if anyone of chodes want to step up and acknowledge my challenge. Odds are that doesn't happen but i'll face any of them and i'm 100% looking forward to mopping the floor with Cryptio and day of the week and twice on Sunday. I'll beat the crap out of him simply because i can.

Douglas- Run Rev run, run Rev run, that's my best advice for you. That's what I see helping your cause, helping your league. You and I both know you don't want to step in this ring with the Franchise, you don't want to be looking at me from across the ring because the end result is something problematic for you, it will be an unfortunate

incident for a guy like you Rev. But what to do, what can we think of to save face. You have yourself in somewhat of a kerfuffle, but hey Rev, I'm here for you. In this time of need, the Franchise is here to simply make your life a living hell. Hell I'm sorry I waited so long, should have just went for the jugular TCW#1 but in my heart of hearts I couldn't pull the trigger with the inaugural TCW's ink still moist. I gave you time, now time is of the essence because plain and simple...I'm coming for you.
