Interviewer: The Man Who Laughs Alone, last tour you made headlines after assaulting Ronnie Gorman with a barrage of bananas. Fans and wrestlers alike are dying to know—what was going through your mind that night?

TMWLA: (Bursts into laughter)What went through my mind? Oh, sweet seeker of truth, it was a vision! A vision of Ronnie Gorman astride a unicorn. But not just any unicorn. This one spewed bumblebees from its frothing maw!

Interviewer: (blinks) A unicorn that... vomits bumblebees? What does that have to do with—?

TMWLA: EVERYTHING! Don't you see? The bananas were not just fruit—they were the key! A message to Ronnie that it's time to journey to Happy Town, where magic mushrooms grow like little rainbow umbrellas! And who tends them? The lemon people! Yellow-skinned, zesty beings of the arcane! (He erupts into maniacal laughter, echoing through the locker room.)

Interviewer: Uh... right. And how exactly do you expect Ronnie Gorman to respond to this... invitation?

TMWLA: Ronnie knows. Oh, he knows. The bumblebee unicorn chooses its rider! His destiny is clear—to taste the zest of the lemons, to dance among the mushrooms of Happy Town. But first, he must accept... his fate. And when he does... (He leans into the camera)...we'll laugh together. (Cackles wildly)

Interviewer: Well, there you have it. TMWLA continues to baffle and bewilder. Will Ronnie Gorman accept his so-called “destiny”? Stay tuned.

Ron Gorman and **Bob Starr**...perhaps you think you gave the **Masked Demolishers** a baptism in humility...and highlighted our sudden and acute failure of the victim selection process...but betrayal does not come from enemies...

Your handler, **Medved**...he saw reason. He came to *US*. Sure, he'll deny it...but enjoy your "victory"...HA HA HA!!!

The Masked Demolishers

Jonathan Hopkins: "Another lackluster tour for me. Our new associate **Sir William Blunt** shall be more likely to have our desired impact this tour. In fact, I will have Sir William Blunt and Garrett work together. Those two will show off their skills. I, myself, will be in singles action."

Garrett "Mr **Bratwurst** had some words for me last time. Now maybe I'm going soon, but your ruffian language - did I use ruffian right - will bring you down. My new buddy, Billy, err I mean Sir William Blunt will get us some of the tag gold!
