Welcome back to Cage Of Honor. Sometimes they say no news is good news but in IWA terms, that means uncertainty. To be frank, I think going forward we are going to focus on HWL and VUL. HLL had a good run, will always be part of Cage Of Honor but I just don't think I'm looking to have a 3rd league, another set of cards and just looking to the future. I don't like leaving Championships behind so our main event at HardcoreMania is set-

COH World Champion Insane HB Shatterday v COH Hero World Champion DC Drake v Brock Rampage in a winner take all match.

For those who don't check the Facebook Page @IWACageOfHonor, there was a set of cards for last cycle and on the final HLL, DC Drake became Hero World Champion. Matt Iron won the Freelance Championship and then defeated Malakai King for the Black Ops Championship. But for now, as mentioned our focus will be on HWL and VUL., so let's check out those results from last cycle.

*[The arena crackles with anticipation as **Diamond Lil** struts into the ring, exuding an aura of confidence and danger. The East Coast Championship hangs from her hand like a trophy of conquest, and her smug smirk sends chills down the spines of the audience.]*

Diamond Lil: "Well, well, well... look who it is. Your reigning and defending East Coast Champion, **Diamond Lil**, in all her glory."

[Her voice drips with sarcasm, each word laced with disdain as she raises the title high above her head, basking in the jeers of the crowd.]

Diamond Lil: "Once again, I've crushed the competition, just like I said I would. But let's not sugarcoat it, darlings. I've had my setbacks. **Machine Gun Kasey Anderson**, **Penny Punk**... they may have had their lucky moments."

[She rolls her eyes, mocking the memory of her defeats with a flick of her hair.]

Diamond Lil: "But let's get one thing straight: **Diamond Lil** doesn't stay down for long. Losing? Ha! That's not in my vocabulary. I'm not content with just holding this title. No, I hunger for more. I crave power, domination."

[Her voice oozes with seduction and menace, her eyes glinting with mischief as she leans against the ropes, toying with the championship belt.]

Diamond Lil: "And let me tell you something, boys and girls. I'm coming for that VUL League Championship, and anyone foolish enough to stand in my way better be prepared to pay the price."

[She smirks devilishly, her gaze locking onto the camera with an electrifying intensity.]

Diamond Lil: "So to all you doubters, all you haters: keep underestimating me. Keep thinking you've seen the last of **Diamond Lil**. Because I'll be damned if I don't prove each and every one of you wrong."

*[With a playful wink, **Diamond Lil** blows a mocking kiss to the crowd before strutting out of the ring, leaving behind a trail of chaos and anticipation in her wake.]*

LADY AUSTRALIAN DASHWOOD: You know us of the AUSSIES don't really know who our foes are. They all left town 'cause of me. LADY LIBERTY took off. Gone, she got afraid of me. You are all cowards. Who here is left in the VUL who can stand up to the AUSSIES? You know what, none of you can. Oh, and by the way, how does someone score points for trash talk by not saying anything but just showing their ugly face on the page. Trash talk is talking, right?

LADY AUSTRALIAN ROYCE: Yep, sounds shady to me.

LADY AUSTRALIAN KAY: Yeah right, Mike Johnson?
