# Legend of the WEW

**Things are beginning to get lively around here.**

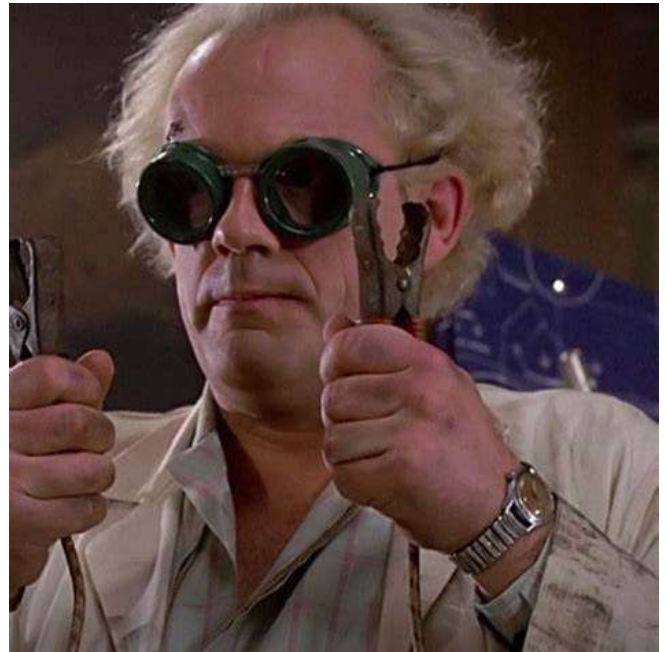

**We launched a new contest, called Legend of the WEW. I'm sure many of you are familiar with it.**

**Basically, this is a race between all WEW members to be the first wrestler to win all front page titles, including tag and six-man titles, along with the Battle Royal.**

**The winner will receive \$250,000 IM and 25 free matches. The winner also has a stadium named after them in our bulletin along with a scrub wrestler created in their honor.**

**Finally, the league championship title will be re-named after the winner of this contest.**

**Good luck!**

# The Young Guns

**Renegade Riley Reinhard: It looks like those Irish guys aren't getting the job done against Red Reign, so its time to throw our hats in the ring.**

**Flying Tyler Holubowski: Yup, it's time to take those commies down. We're going to show this league why we were the hottest young team in the FAL.**

# The Twin Towers

with Big Easy Bossman Bill Williams

***Big Easy Bossman Bill Williams:*** Alright, alright, alright... This is it! It's time to unleash my boys Colossal Erik Kloiber and The Giant Andrew Holubowski on the WEW!

***Kloiber:*** That's right. We have watched our competition and are not impressed!

***Holubowski:*** Those Irish boys are too obsessed with finding gold. We're coming after Red Reign and we're going to take their gold!

That's just the beginning for us.

***Williams:*** Tell Mama not to wait up for us, its time to roll up our sleeves and get our work done.

Good day!

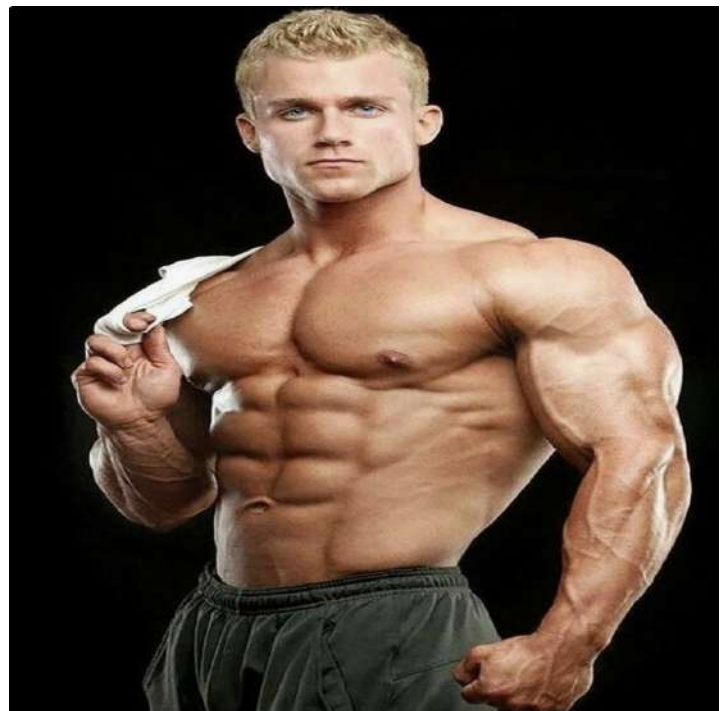

# **Dangerously Sensational**

**Dangerous Dennis Canoy:** So, the tag scene here looks like you have your choice of Red Reign or The Irish Nightmares....

**Sensational Scott Foley:** That doesn't create much excitement does it? A bunch of plodding old Russians and another team where one guy talks in rhyme and the other doesn't talk at all?

**Canoy:** Well, we are going to get people out of their seats. The name says it all!
