Legend of the WEW

Things are beginning to get lively around here.

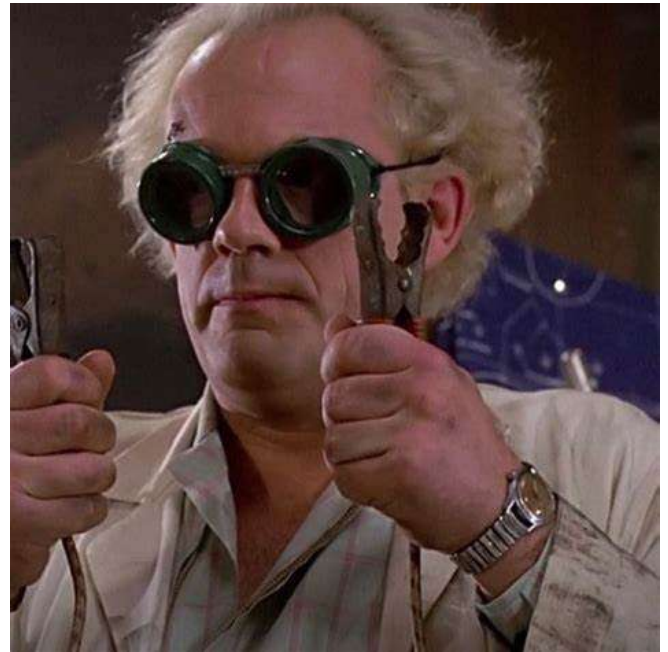

We launched a new contest, called Legend of the WEW. I'm sure many of you are familiar with it.

Basically, this is a race between all WEW members to be the first wrestler to win all front page titles, including tag and six-man titles, along with the Battle Royal.

The winner will receive \$250,000 IM and 25 free matches. The winner also has a stadium named after them in our bulletin along with a scrub wrestler created in their honor.

Finally, the league championship title will be re-named after the winner of this contest.

Good luck!

with Big Easy Bossman Bill Williams

Big Easy Bossman Bill Williams: Alright, alright, alright... This is it! The Irish Nightmares have taken down Red Reign.

Kloiber: That's right. We want a shot at that little pipsqueak and his Pot o' Gold and that freak.

Holubowski: Those Irish boys are too obsessed with finding gold. We're coming after them and we're going to take their gold!

That's just the beginning for us.

Williams: Tell Mama not to wait up for us, its time to roll up our sleeves and get our work done.

Good day!

Wild Will Reinhard

**PitFighter could hold on-
to the U.S. title too long.
I told him I would take it
back from him and that's
just what I did.**

Who wants a shot?

So, who's next?

**I'm gonna enjoy stompin
a mudhole in all of ya!**

See ya later losers!
