#111 TRASH TALK

WESTERN TRAILS LEAGUE

A PROUD MEMBER OF THE IWAR NETWORK

Western Trails League Commissioner's Comments

Cactus Jacques: Well Buckaroos, I am still in it! Can you believe this? Your faithful, always amazing Commissioner slash wrestler slash actor slash French Canadian role model... wait, what was I talking about? Oh yeah, me! I am still in the **Sheriff of the Ring!** My hard work paid off and I am number one! Was there any doubt? Ever? None of these bums in the back can beat me! And now I get to prove it in the toughest tournament in the IWAR Network! No, the whole IWA! **SotR** is going to go down as the toughest tournament to ever compete in! The brackets are set and we have our first matches going through as we speak! This is very exciting. I want to thank everyone that took advantage of our great match deal every cycle up to this point and I hope that you will continue to do so in the future. I wonder who will be in the top ten ranked when the year comes to an end. Only time will tell. If you want to have a tournament at the end of the year also let me know. Until then though, we have SotR 2025 AND!!!!

I am very proud to announce that WTL is not done with the main events this year! No! We are in the process of making a huge event for the **Dog Days 2025 cycle**. And the name of it is... *[Drums on his desk]* **501 to Yuma!** If you think SotR 2025 is crazy just wait until you see what we have in store for this crazy ride! Will you be tough enough to make it to this train in time? 501 to Yuma is going to set the Dog Days cycle on fire and all you have to do is be active! Stay active! And don't forget to get your tickets now!

Now is the time where I congratulate our superstars for another great cycle. But wait, this cycle was different then the rest. This one had a little surprise for everyone. Take a look at the top then Rankings page and see what I mean. Not one of the top ten ranked singles wrestlers on that page won a championship this cycle! That is the craziest thing I have ever seen since starting the rankings. The stats don't lie! WTL is becoming a very tough league! Wait, it was always tough! But now, it is getting even better than before! Congratulations to **Trucker Van Lear**. I could not have asked for a better WTL Western Frontier Champion this cycle. And our WTL World Heavyweight Champion, **Sean Cordova!** I seriously was shocked when I watched his match. He has come a long ways and I am proud he is the champion walking into Sheriff of the Ring. But will he be able to hold the championship up high after the event? We will have to see. As for the other Commissioner's champions, wow! **"Nat" J. Love and Marshal Reeves** are another example of put in the hard work and the rest will follow. These two never gave up and kept fighting through it all. I am very proud to see them holding the tag-team championships. And like our Heavyweight Champion, can they retain in one of the biggest events of the year? And don't even get me started on the shocker of the cycle! **Ajai Singh, Cowboy Jim Spur, and Main Event Vin Perez** will be walking into SotR 2025 as the Six-man champions! Wow! What a crazy ride we are going on with these championships. Like I stated before, all of the matches are set and ready to go. We even have the traditional **WTL H8TEFUL 8 match**.

Now before we go any further I want to announce this one more time for those that might have missed it listed many times before. **IF YOU ARE LOOKING FOR A HUGE PAY PER VIEW WRITE UP AT THE END OF THE EVENT** --- You are going to be waiting a long time! HA! I do not do huge write ups and match descriptions and lovely announcers raining from the sky with praise of how good you guys are. NO! I won't do it! You can't make me! HA! But, I will say thank you and good job. Good job, yes, who's a big boy now? You are, yes you are! HA! Come on guys. Who has time for write ups when I am tracking all the stats!?!?!? I don't! But, there are many other IWAR Network leagues that do that kind of thing so by all means, go check them out. If you want stats, stats, and more stats, well stick around kiddo, we got enough stats to choke a camel. No, really, it would choke a camel if we let a camel eat them... HA! Come on! Laugh you bums! I am in the SotR 2025 and I am going to win! And not even Kimberly can stop me! BAHAAAAHAHAHA!

But seriously, thank you guys so much for letting me be the Commissioner of this crazy gimmick league. I am blown away by the activity and dedication you put in every cycle with your wrestlers. I hope that you enjoy the cover and I want to once again thank the IWA for the great work that they do for this league. I appreciate every single one of you for sticking it out with me and hanging out in the WTL! I hope you will stay with us even longer as we get set up for another event right after this one. The tournament will keep running until there is a winner of the Sheriff of the Ring 2025. And 501 to Yuma will be a fun Dog Days event that I hope will continue on for many years to come. Now get back to work!

COMMENTS:

YOU MIGHT WANT TO READ THIS OR NOT!

I had to make an adjustment to the top ten due to a wrestler going inactive. Like I stated many times before if you go inactive you get bumped out. So stay active! So, with that said, we have some new faces in the top ten.

Not so new anymore but still fun WTL UNDERGROUND

One more time for those in the very cheap seats! Get your labeled matches in now and you might win some points! All you have to do is find the toughest S.O.B (Active wrestler) and fight them in a Specially Bloody match of your choice and if you get the most points against him over all the other wrestlers who send in matches, you win! Simple? Only one way to find out! Get your bloody matches in now and let's see who can win!

As I have stated numerous times in the past. I suck at point systems but, I want to try and I hope that you will humour me as I attempt to keep this going for the WTL. The point system, trash talks and the standings on the front page will help me determine who becomes the number one contenders every cycle for a chance to win the Commissioner's Championships in each division. So stay active, please!

Sheriff of the Ring 2025 Winner

And here we go! Strap yourselves in because this is going to be a bumpy ride! I can't wait to see who wins the first WTL Sheriff of the Ring! We finally know where everyone placed and the first batch of matches are sent in and ready to go! Good luck to everyone in the SOTR this year and thank you for sending in your matches every cycle. This event is a way to show you I appreciate your dedication to the WTL. Thank you and good luck!

The Sheriff of the Ring winner will go onto reign as the Sheriff until next year when a new Sheriff will take over. (Unless the same wrestler wins again.) The winner will walk away with \$1,000,000 in iCash and points that will be added up all year with the SOTR tag, which could win him even more because of the points he gains every cycle for being the winner. This Championship will continue to benefit the winner because he will then be pushed along to the IWAR Network as the top contender in WTL, which might bring some IWAR Network championship matches for him also.

The First round of matches (7/8, 9/10, & match to determine who plays #2) are sent in for the Summer 2025 cycle by the Commissioner. -- **You will not have to pay for these matches!** -- So be ready with your best strategies. (Winners will be decided by best total and if a tie I will then dig deeper to past totals in WTL history. So hopefully you have been doing good since I started tracking.) -- ** Once again, please understand that there will not be a write up after this event. The results will be posted and the brackets will be updated every cycle until there is a winner. **

WESTERN TRAILS LEAGUE PROUDLY PRESENTS

501st Yuma DOG DAYS 2025

IWAR NETWORK AND IMAGINARY WRESTLING ASSOCIATION ARE NOT HELD RESPONSIBLE IF YOU MISS THIS TRAIN!

WESTERN TRAILS LEAGUE

WTL IS A PROUD PARTNER OF IWAR NETWORK

WILL YOU MAKE THE TRAIN

All you have to do is be the first wrestler to stand up in the middle of the ring! Easy, right?

This is a strategy-based event so bring your best strategy and win!

The Four and a Half Horsemen are gathered around a fire pit at night. Well — all but one.

SCHLITZ: I can't believe they took Wee!

WRANGLER: Tell me about it! Little guy's one half of the best dang tag-team in the IWAR!

GAINES: This was expected — retaliation for covering Lorrie in horse caca — which to be fair only improved her natural stank.

SCHLITZ: Gentlemen, we will not stop until justice has been delivered. In the meantime, I just hope Wee is staying strong...

CUT TO:

Inside a crate, Wee Teepee wakes up. He's beaten and bloody. He's already been to hell and back. Then, from outside the crate, the sounds of a car peeling out...

VAN LEAR: Hey, so, uh, Lorrie just left. Think I'm gonna take a shower.

TEAGUE: Oh? Uh, I was gonna take a shower, too.

VAN LEAR: Oh, cool. Cool. Well you go on ahead.

TEAGUE: No. You go on ahead. I can wait.

Water is turned on.

TEAGUE: I was thinkin' maybe we could save some time — and hot water — and just...shower together?

VAN LEAR: I wish I knew how to quit you.

Back inside the crate...

TEEPEE: Oh. I get it now....

*The arena lights suddenly dim, plunging the crowd into darkness. A new entrance can be heard—*Feed the Machine* by Poor Man’s Poison replaces the silence, its ominous melody sending ripples of confusion through the fans. Then, as the hook drops, a wave of flame pyrotechnics erupts across the arena, bathing the space in a fiery glow...and a few stray fireballs. Chaos briefly ensues, with a few startled spectators scrambling from the nosebleeds on fire. As the smoke clears and the lights return, Rusty Chains emerges, sauntering down the runway with the NWL League Championship fastened securely around his waist. Rusty enters the ring and grabs a mic before his new entrance music fades.*

Rusty Chains: Ladies and gentlemen, fans of all ages... *MY WRESTLEVERSE!* Let me chat at ya for a minute.

For 100% of my NWL career, I’ve held a championship title of one form or another. (*The fans erupt into chants of “Oh-Oh Rusty Chai-ains!”*) I’ve battled the best this league has to offer, time and time again. I’m a 2-time Rookie Brawl Champion. I’ve held the NWL T.V. Tile. I went toe-to-toe with the A.I., stripped them of their titles, one by one. I brought a name to the NWL by becoming a Specialty Tournament Record holder.

I pulled second in the ‘Extreme Rulez Tournament’, where I showed my pure brutality and grit. I used that as fuel to win the ‘Hardcore Tournament’....and then came the ‘Hell in the Cell Tournament’! After the previous Tournaments, there was ‘No Excuses’ for my win! I was 8th in the ‘I Quit Tournament’ which led me to win the ‘Singapore Cane Tournament’...Making me a 3-Time Specialty Tournament winner for the NWL!

At my first PLE, I gave Chainsaw Henley *No Excuses*—because there’s no room for sentiment in this business. I led the DHC to become one of the most dominant Six-Man Champions this league has ever seen. (*The crowd’s cheers swell to a roar.*)

TODAY... Today, Wrestleverse, I stand before you as your **NWL League Champion**.

And this — THIS — is the pinnacle of any wrestlers' NWL career. This title isn't just gold and leather; it's legacy, respect, power. When I stepped foot into NWL for the first time, this was the prize I had my eyes set on. This was the Championship Title I wanted. And now, I hold it — because I earned it, because I bled for it, because I proved beyond a shadow of a doubt that I am the best this league has ever seen! *(Rusty raises the belt high as the crowd erupts again.)*

But, folks, this moment is bittersweet. My time in the NWL is coming to an end. My contract is set to expire, and the commissioner of the WTL, Cactus Jaques, has called me up to fulfill my draft deal.

Since I began here, I've fought, scratched, and clawed my way to the top, and I've loved every second of it. You, my Wrestleverse, have been the heartbeat of my journey. Without you — your passion, your chants, your unwavering loyalty — I wouldn't be standing here as one of the most dominant forces this league has ever seen. *(The crowd erupts into cheers chanting "Thank you, Rusty!")*

But make no mistake — I'm not riding off into the sunset just yet. No, no, no. Before I take my leave, I plan on stacking my legacy even higher. I WILL walk out of here with a couple more NWL titles. I WILL remind every single competitor why Rusty Chains runs this business. And when I step into the WTL, I won't just represent myself — I'll represent each and every one of you.

So, NWL... enjoy your League Champion while you can. Because there is 'No Excuses' for my Dominance and there is 'No Excuses' your loyalty. I'll see you in the Wild West Wrestleverse!"

THE TRASH MAN BALLS BUCKSHOT REPRESENTING THE GUN COLLECTION

I left Baby Face Nelson in a dumpster so deep not even the raccoons will scavenge what's left of him.

Mr. Pennynickel

☛ Representing The Gun Collection ☛

Baby Broke Nelson managed to scrape together a win against me...congratulations. You just had to run to the Commissioner and get a rematch, didn't you. You little two-bit con with baby teeth.

But this little score we got? It ain't settled. One and one don't mean a thing in my world. You wanna call yourself a winner? You wanna call yourself better than me? Then prove it. Put your money where your mouth is.

You and me again but this time cold hard cash on the line. No excuses, no second chances. If you walk out with the win, you get a stack of cash from my bank. How's about \$50,000 dollars? But if I win? Well, let's just say you'll need a loan to walk outta here!

What's it goinna be, Nelson? You ready to gamble?

SEAN CORDOVA

REPRESENTING THE GUN COLLECTION

(Sean Cordova is sitting backstage admiring the the WTL Heavyweight title on his shoulder. He's alone staring at his reflection in the mirror.)

This is what I'm talking about! I got the gold. Damn, it looks nice. Looks really nice...

(A staff member walks in and tells Sean Cordova that it's time for his speech to the WTL Enhancement Talent.)

Of course it is. I'm sure those lowlifes want to hear from their leader. Lead the way to the schmucks....

(Sean Cordova walks into a room full of at least thirty scrubs of WTL. All smiling and cheering for 'their' champion.)

Look around, my brothers, my faithful few. You've spent your lives being told you're less than. That you're stepping stones, placeholders in the ring where real legends are made. But I am proof that the system is a fraud. That they don't get to decide who matters.

I was you, once. The afterthought. The name scribbled at the bottom of a match card that nobody read. And yet, here I stand, the WTL Heavyweight Champion. And what does that tell you? That I earned this? No. It tells you that the game is rigged, but I learned how to play it.

And so can you!

You just have to believe. You have to be willing to do what others won't. To sacrifice. To become. The title is proof, I am the TRUTH. The doors they shut in your face? I can unlock them. The chains they wrap around your wrists? I can break them. The real question is...are you ready to listen?

Are you ready to win? To rise? To take what they said you could never have and make it yours?

Then you need The Cordova Code.

For just \$29.99 a month, you'll get exclusive never-before-shared secrets on how I took the game and flipped it on its head. How I bent the system, shattered the ceiling, and stood her undisputed.

Subscribers get weekly video seminars, personalized guidance, and an iron-clad guarantee that if you follow my lead, you will find the right path.

This isn't for the weak. This isn't for the doubters. This is for those willing to believe. For those ready to become something more.

So, tell me, what's it going to be? Keep being someone else's stepping stone...or join The Cordova Code today?

(Sean Cordova finishes his lecture as the entire crowd chants his name in unison. He goes back into his room. The staff member follows.)

Make sure it's cash or card from these lowlifes. I don't trust that any of their checks would even cash. And just for the record, nothing will come from me unless there's at least 20 signups today.

THE MASKED PRESIDENTS!

NIXON | CARTER | REAGAN | LBJ

Western Trails League once again is blessed with the most crooked and down out unlawful bunch of misfits the IWA has ever had work for them. The Masked Presidents stand in the center of the ring waving to the fans.

Reagan: Ladies and gentlemen of the Western Trails League, we are the Masked Presidents! It has been a long run for us here in the WTL and nothing is more important to us then making each and everyone of you happy. We are here to protect and serve! To entertain and impress!

LBJ: To cheat and not get caught!

Nixon: And remind the IWA that we are not the bad guys!

Carter: Yes! We are the good guys! We are on your side! We were voted in office to make sure your voices are heard.

Reagan: Ladies and gentlemen, we have heard your cries. We have felt your pain! It is time the **Buckshot boys** pay for their criminal actions. It is time **Cahoots** gets run out of this two-bit saloon of a league you call WTL, and it is time that **Schlitz** and his gang of misfits get put back in the bottle!

LBJ: We are here to make sure when the IWA talks about the best Six-man team to ever wrestle in this hot mess you call a Wrestling organization, they will say the Masked Presidents were the best, are the best and will always be the best!

Nixon: And we never got caught cheating!

Carter: And we never let the fans down. Our voters will go down as the real champions here.

Reagan: And that is why we are the Masked Presidents!

THE MASKED PRESIDENTS!

I WANT YOU

CACTUS JACQUE

WESTERN TRAILS LEAGUE:

#188 (1,812-181-52) *31 \$3,114,400

Cactus Jacques is here to make America great again! Only a French Canadian can do the job many have failed to do in the past!

CACTUS JACQUE, PRESIDENT CARTER, REAGAN, AND NIXON, SAM HILL & BILL SHOW.

Cactus Jacques comes out to the ring wearing an Uncle Sam outfit which makes fans erupt into loud boos. He waves to the crowd and even stops and taps a young fan on the head before posing for pictures with the crying fan. He slowly walks up the steps, making sure to stop and wave to the crowd which only makes them boo even louder. He gets in the ring and waves one more time before standing in the center of the ring with a mic in hand.

Cactus Jacques: Ladies and gentlemen. (Fans get even louder while he waves and smiles.)

He pauses and just lets the fans get even louder.

Cactus Jacques: I know many of you wonderful Americans are wondering why I am dressed like this. Well? Who better to make America better than the best French Canadian in the business? As some of you know, I am and have been for a very long time an American citizen. Legally! And with that, I take that role very seriously! Now is the time for you to vote and pledge alliance with the greatest French Canadian/American wrestler! No more masked wrestlers! Say it with me! No more masks! Say it!!!! *(Fans begin a Senor Lucha chant which makes him very angry.)* Why cheer for that dead beat!?! What has he done for you lately? He hates you more than I do! It is time for you to acknowledge the true hero of WTL! You Commissioner! Cactus Jacques!

He pauses as the fans get even louder and the boos echo throughout the whole arena. He tries to speak again but the boos drown out his voice. He stands waiting for it to die down with a huge smirk.

Cactus Jacques: You can just call me Uncle Slam!

Fans erupt into an even louder boo and Jacques is unable to quiet them down in order to finish his promo. He just stands in the ring smiling a huge grin which makes fans even madder. He looks to the camera and waves, then makes sure to slowly wave to each side of the arena before leaving the ring and slowly walking up the ramp. He stops on the stage and turns and waves one more time.

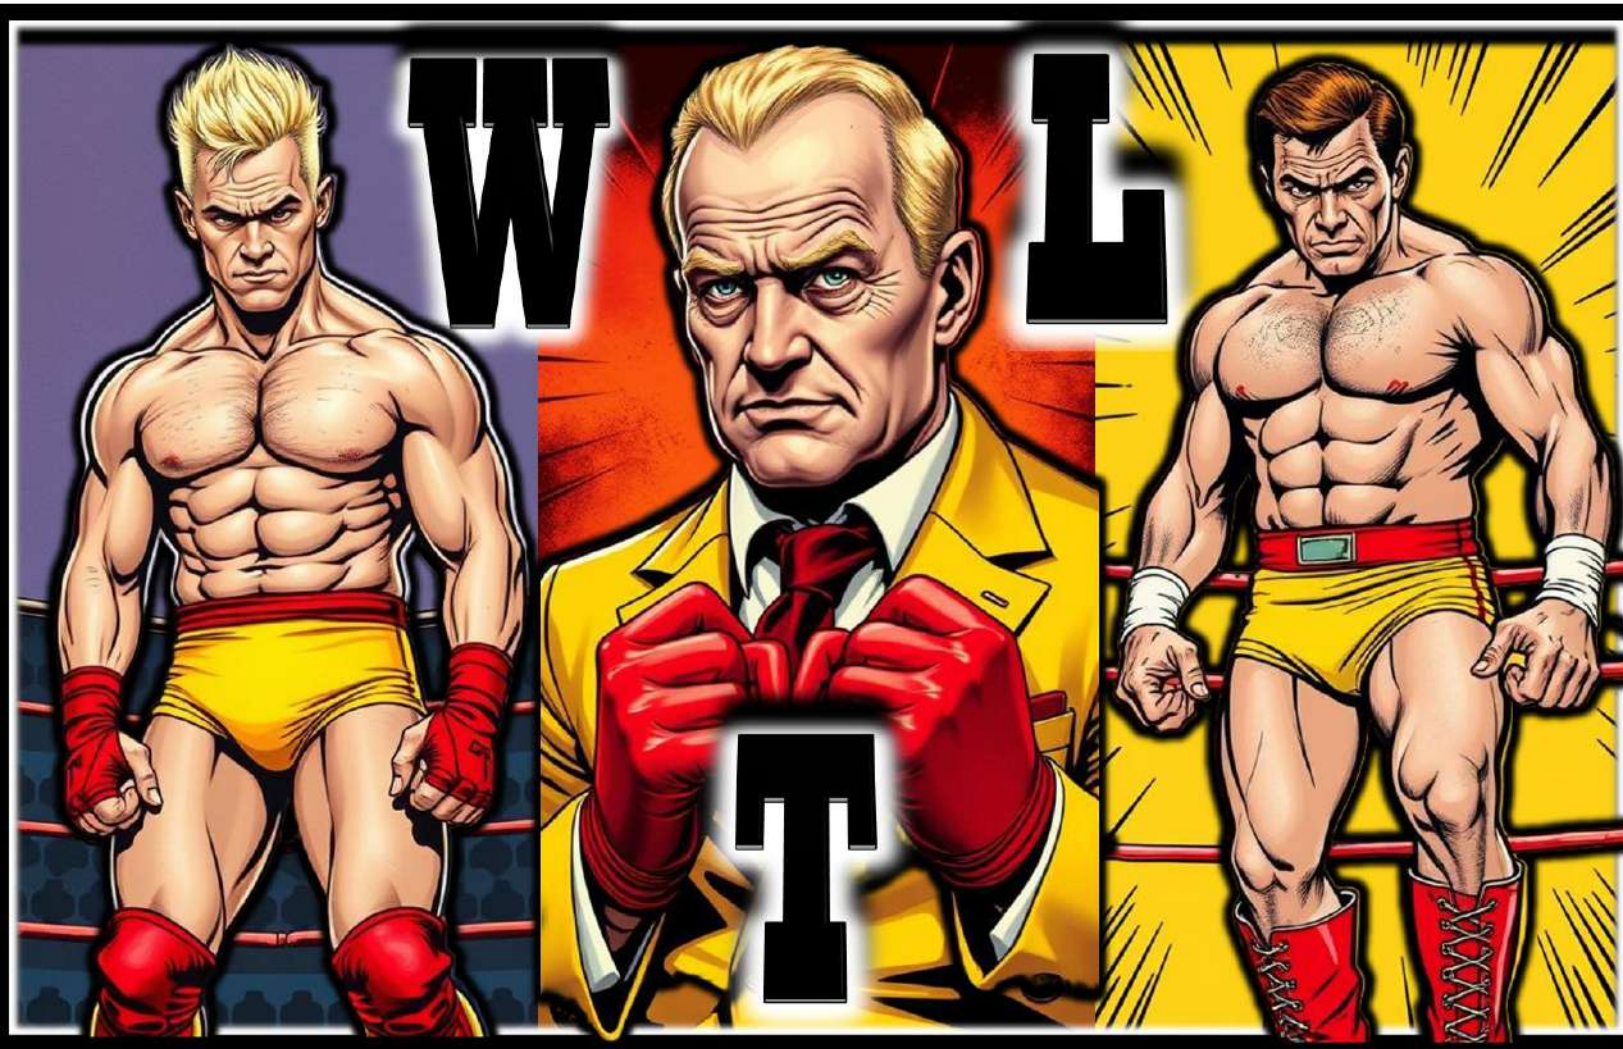

WARNING THE PROMO YOU JUST READ WAS NOT DONE BY AI! IT WAS DONE BY SOME DUDE IN CANADA! HA!

THE HOLE IN THE MAT GANG

Western Trails League has the toughest tag-team to ever wrestle in an Imaginary Wrestling Association ring.

Led by the most vicious manager, **Ole Garvin** the Hole in the Mat Gang are **Sam Hill & Bill Show**.

The Hole in the Mat Gang (WTL 2025)

Sam Hill

Ole Garvin

Bill Show

Ole Garvin stands proudly in front of Sam Hill & Bill Show, who shake their heads and cover their ears when fans boo.

Ole Garvin: Sam Hill and Bill Show are the **HITM ERA!** And none of you bums can stop us! Hill and Show just have already shown the IWAR Network who the toughest tag-team is! They have already made a name for themselves, and no one is tough enough to take them on! The WTL tag-teams are running away screaming and hoping they don't have to face the Hole in the Mat Gang. With me by their side, it is just a matter of time before Sam Hill and Bill Show are the World IWA Tag-team Champions. In the toughest Federation to actually become champions. IWAR Network is not an easy place to win the IWA World Tag-team Championships and that is why we are here! No better proving ground then the WTL! Some of the toughest tag-teams in the business are in this league. And we are going to destroy each and every one of them, one by one.

They are at it again. The most hated team are ready to attack every team in the IWAR Network! No wonder everyone hates them so much. They are better than all of the boys club babies who were here before.

IWA'S TOUGHEST TAG-TEAM!

Trailer Park Confessions

Starring the WTL Western Frontier Tag Team Champions, the Cowboy Killers: WTL Western Frontier Champion Trucker Van Lear and “The Reprobate” Lanny Teague, along with Lorrie Teague.

Trucker: Would you look at that right there, Lan? Right back on top around here again. Western Frontier Champion and we’re the Western Frontier Tag champs.

Lanny: Them boys down there at the ball field would call that clutch. **The 4 ½ Horsemen** are out there talkin’ bout bein’ predators. Boys, we ain’t never been one notch lower than the top of the food chain.

Trucker: I gotta tell ya’ll, I’m disappointed. Here I thought we’d get into some good brawls and all we get are the same ol’ jokes. Talkin’ ‘bout who is cousins and ex-wives with who. Like my little sister is some ol’ white trash skank.

Lanny: Ya’ll ain’t got nothin’ better than that? That’s all you can come up with. Well, my little trailer park smokeshow here came up with a pretty damn good ideal. See, boys, there’s a hell of a lot more money in rasslin’ than there is in stealin’ copper wire. I done made myself boo-koos of money the last couple’a years. I figured since **Schlitz** is my light work, I’d let the rest of the league handle him. Show ‘em darlin’.

Lorrie pulls out a poster and holds it up. It reads:

THE COWBOY KILLERS PRESENT: THE SCHLITZ HITS THE FAN BOUNTY CONTEST

The Stipulation: The wrestler who beats Cowboy Schlitz by the most points during the July 2025 cycle will win \$10,000 PER POINT, up to \$100,000. This will be paid from Lanny Teague’s earnings!

>>>>>If Schlitz can go undefeated, he will win \$100,000!<<<<<

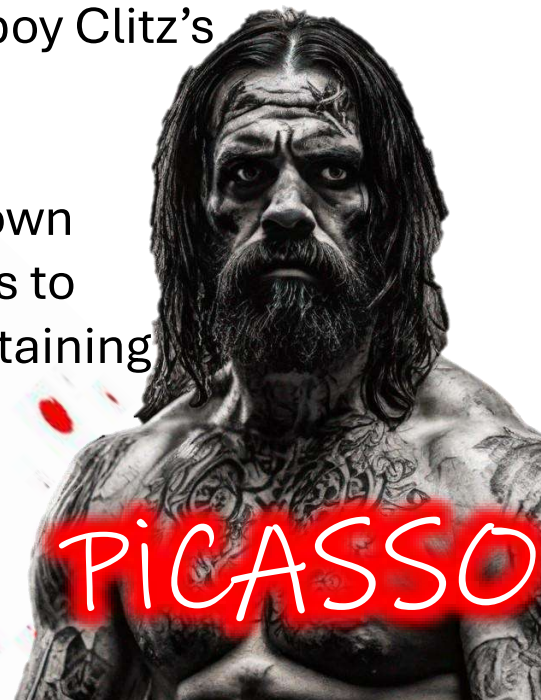

- *This is a real contest approved by the IWA.*
- *The 4 ½ Horsemen, Lanny Teague, and Trucker Van Lear are not eligible for this contest.*
- *Schlitz can win the money as long as he does not lose. Draws do not count as losses.*
- *In the event of a tie, each wrestler will receive the bounty up to a maximum total payout of \$200,000. If more than two wrestlers beat him by 10+ points, \$200,000 will be divided equally among them.*

NO MERCY, NO REGRET, ONLY VIOLENCE

Well it looks like ol Cowboy Clitz really enjoys seeing himself and his merry band of picklesmoochers run their mouths while playing touchbutt with one another... The whole locker room knows the real reason why you boys wear chaps... Brokeback rodeo clowns... Such gentlemen pushing in each others stools all the time... Uncle Trucker showed you boys exactly what FAFO is all about...

Cactus my boy... What's the obsession with Masked wrestlers all about? Did your daddy used to wear one while he fondled your naughty bits? I mean some of these dudes need to wear a mask... I mean have you seen Lucha's face? That guy looks like the elephant man... I have no idea what his Tess Stickles see in him... Quite honestly Tess Stickles seems like Cowboy Clitz's type a thing... But to each his own...

As for the rest of the WTL? Not much going down Round these parts... Seems like Jacque needs to worry less about B movies and focus on entertaining Some wrasslin fans...

Big Tess Stickles - Senor Lucha – Cowboy Jim Spur

SENOR LUCHA: *Amigos, after my hard-fought win over our corrupt Commish, Cactus Jacque at the IWAR Super Show, my knee is in need of serious rehab. I need someone who specializes and makes better all they touch. Si?*

BIG TESS STICKLES: Oh sugar, you know it's too risky not too. Now you just relax and let me smother you with the healing power of Big Tess Stickles. You gotta big title match against **Trucker Van Lear** to prepare for, after your throttled that creepy masked Nixon fella, so this interview is gonna be cut short, so we better head out now.

AJAI SINGH: Do I have time to promote my new t-shirt? It has a very sexy lady who has a flute and a guy with a basket in his lap and across the top of the shirt in big letters it says- [CUT TO BLACK]

SENOR LUCHA

After a long career in Mexico, he came to the IWA's BBL in 2012 and won the *BBL Wrestler of the Year*. Fans across the IWA hailed their new hero who won the first Johnny B. Cup and the IWA championship in 2014. He went on a quest to stop the most hated man in the IWA, *Luthor Alexander*, but in the midst a *Loser Leaves IWA* match, a betrayal by his former protégé *Neo Dragon*, cost him the match and broke him. When Lucha returned after exile, he was different, ruthless, cruel and jealous of the cheers the fans "gave" to new heroes while the Man of the People was away. Now middle-aged and crazy, he is bent on using his wealth and influence for one last run to the top. Despite his age and injury history, he can withstand a ton of punishment and his devastating finisher, the *Million Peso Knee Strike* can end a match 'outta nowhere'. His Academy de Lucha's school alumni including; **Ali Atari, Adam Ca\$h, LePage Turner, U.S. Mayle, He-Man Hoven** and **Monster Truck Tanaka**. *IWA Debut: BBL, 2012.*

BIG TESS STICKLES

Lucha stopped at a Waffle House after a house show and was being harassed by a woman, when a curvy, sassy n' surly Waitress known as Big Tess Stickles, beat up the woman and threw her out. Smitten, Lucha brought her on the road to be his full-time valet and she distracts fans and foes alike with her voluptuous assets. When the bell rings and she gets involved, many opponents are befuddled by that unruly BBW, Big Tess Stickles!

COWBOY JIM SPUR

He started in a tag team called *Western Medicine* with Dr. Piledriver M.D. and won the IWA Tag Team titles, but numerous head injuries unleashed an unpredictable violent streak. For a time, he was on medication that curbed his blood lust while a member of the BRL's Suburban Hell Savages, but gave up his pills and return to the ultra-violent tactics. While that approach helped him beat Ghost Lee Shadows for the BRL title, it often leads to DQ losses for using his Branding Iron or Bull Rope during matches. As Lucha's right-hand man, he's eager to please, but his injuries have hindered his ability to process instructions which results in well-meaning screw ups. *IWA Debut: LWL, 2012.*

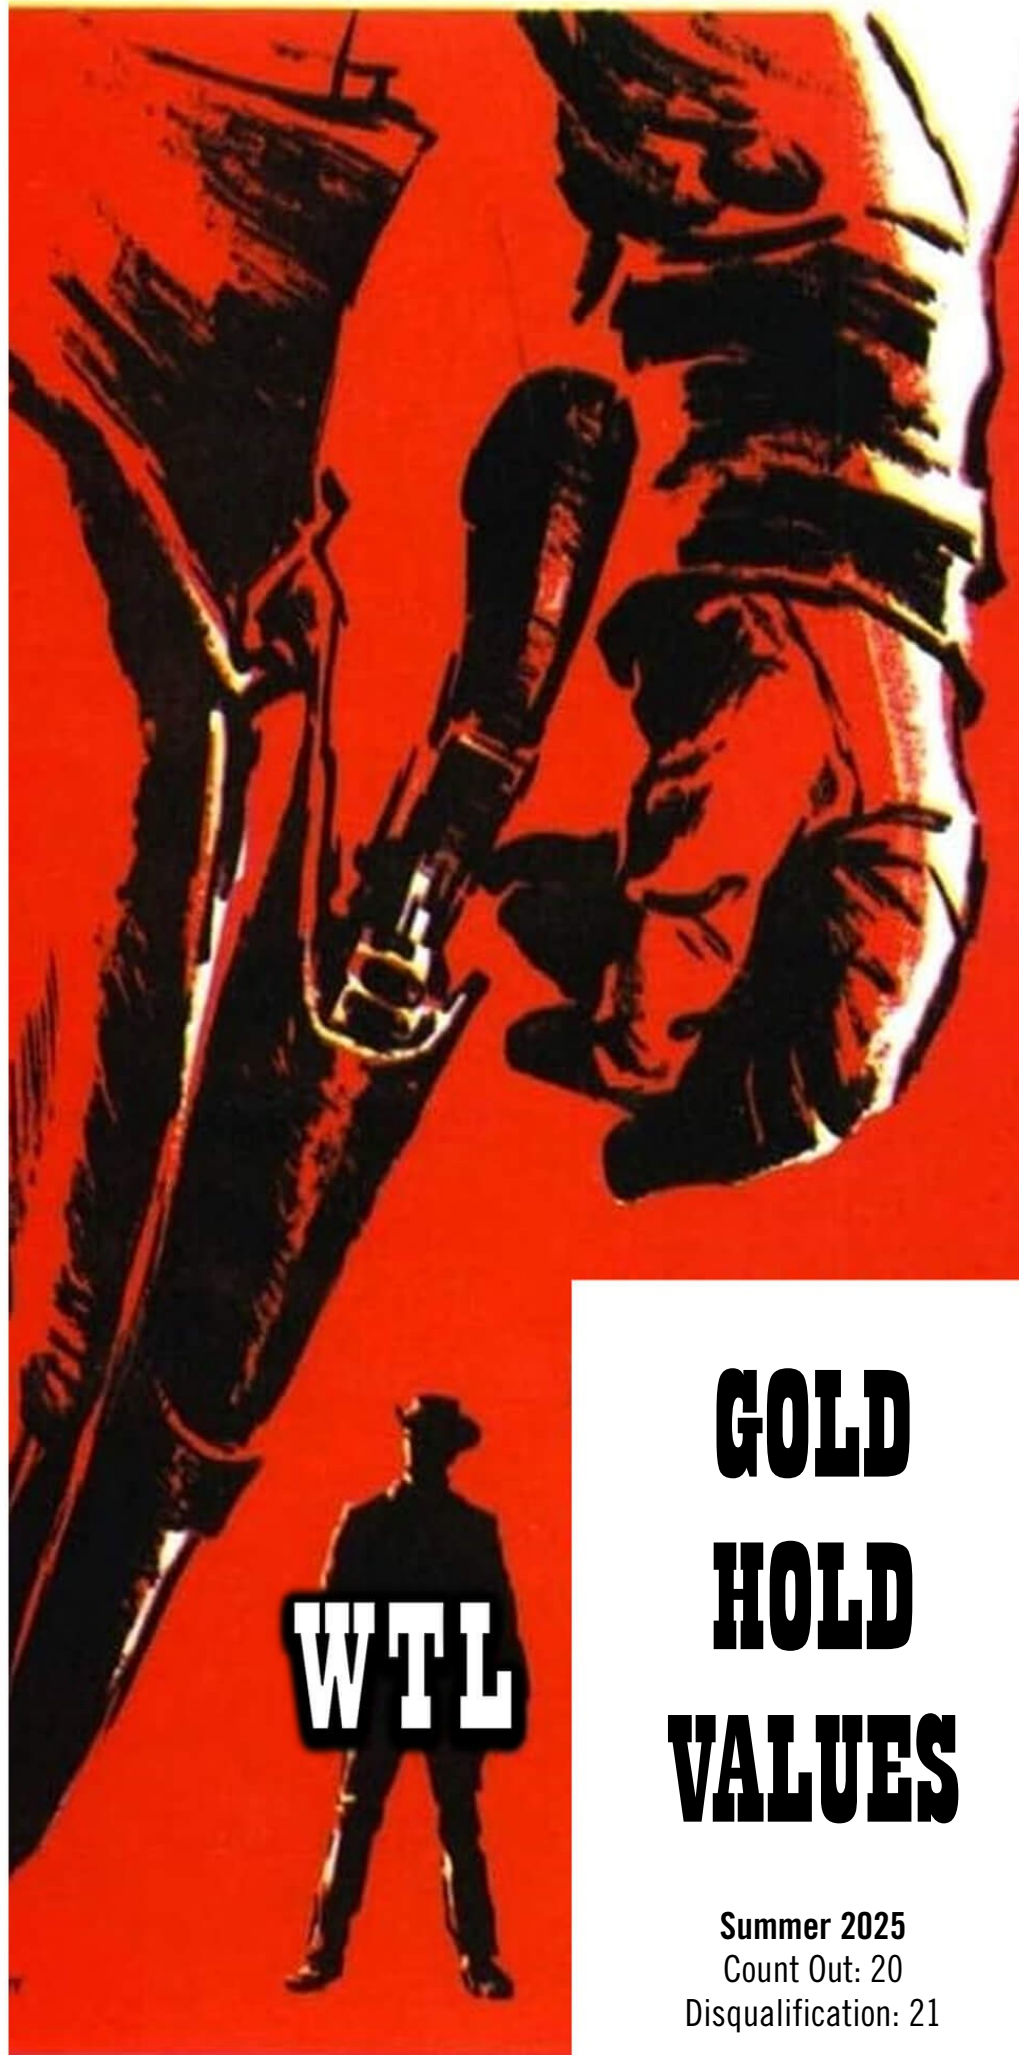

**AJAI

**VIN
PEREZ**

When Senor Lucha fired Rags 2 Riches (Jack Potts & Lou Ghee) for losing to the Regulators, he tasked Jim Spur with replacing them with the most savage and ruthless Indians he could find, but he misunderstood the request and hired two rookies, one from India and the other the West Indies! Vin won the WTL's Million Dollar Bunkhouse Battle Royal in 12/2024. Ajai has vowed to become champion in 2025. *IWA Debut: WTL, 2024*
