Justin Kyle: You know, as I sit here by the pool thinking to myself, how did I end up in some redneck league full of scrubs. Well something occurred to me. Where are my manners? I haven't properly introduced myself. Well I am the greatest wrestler you will ever meet, I'm always the best looking person in the room, and I am the biggest threat to your belts. Yes, I am the man known as Justin Kyle. I am the brother of the greatest **IWAR** World Champ ever, **Ricky Kyle** and I am the man to soon take that honor away from him. I WILL continue my winning streak here, I WILL take your crappy commissioner titles and I WILL use them to catapult myself to a shot at that IWAR strap. And one shot is all it will take. Get used to seeing me with your belts, get used to The Angels and The Excitements dominating tag and six....and get used to the realization that with or without a belt... I am **YOUR** Champion!!

Triple Crown Prize Pool 15 Free Matches \$150,000

*To claim the prize pool a wrestler must win the Western Frontier League, Tag & Six-Man titles AND have some sort of promo, trash talk, sneak attack or anything like that in the bulletin.

Hello all. Last cycle began our march to Revolution at Red Rocks with the first round of the Western Trails Heavyweight Title Tournament. We had eight excellent Ft. Worth First Blood matches (they accidentally ran as Amarillo Strap in the report). **Lance Pants** had the largest margin of victory at 10 and our closest match went to the tiebreaker as **Shackles Malone** defeated **Super Dragon**. This cycle will be our four Amarillo Strap quarterfinal matches and the start of the Texas Tornado Tag-Team Tournament to find out what team will become the WTL's inaugural Texas Tornado Tag-Team Champions.

I am still looking to fill out the card for our Revolution at Red Rocks pay per view, if nothing pops up I will be putting together some very exciting matches.

Western Trails Heavyweight Champion **Cowboy Schlitz** and I had a good chat and he sounds like he is ready to be a true fighting champion and face of the WTL. That is exactly what a good league needs.

The newly arrived Regulators took no time in winning gold and calling out Rags-2-Riches. Will we be getting a response from **Jack Potts** and **Lou Ghee**?

Shackles Malone got a little revenge on **Super Dragon** by eliminating him from the Western Trails Heavyweight Title Tournament, but I doubt that is the end of it.

It doesn't sound like **Lance Pants** took the **Book of Cordova** all that seriously and beat **Sean Cordova** in their first round match-up.

The Everglades is my home

Zebediah Bogtrotter:

Ladies and gentlemen, gather 'round and listen up to the tale of Zebediah Bogtrotter – a man born and raised in the murky depths of the Everglades swamps, where survival is a way of life and toughness is a birthright. You see, to me, the wrestling ring is no different than the swamps I call home – it's a place where you have to fight tooth and nail, where you have to navigate treacherous waters, and where you have to show your true grit and determination.

In the swamps, you learn to adapt, you learn to be resourceful, and you learn to outsmart your opponents at every turn. You see, being raised in the Everglades taught me that strength comes from within, that resilience is key, and that you can never back down from a challenge – no matter how daunting it may seem.

Just like wrestling, the swamps are unforgiving and relentless, but they also breed a spirit of tenacity and a will to succeed against all odds. I may not have had the glitz and glamour of a city upbringing, but I have something even more valuable – the heart of a warrior and the spirit of a champion.

So, to all the doubters and naysayers out there, I say this – being raised in the Everglades swamps has prepared me for anything that comes my way in the wrestling ring. I am ready to fight, ready to conquer, and ready to show the world that Zebediah Bogtrotter is a force to be reckoned with.

I may have been raised in the swamps, but I am destined for greatness in the wrestling ring. So, bring on the challenges, bring on the opponents – I am ready for whatever comes my way. Because just like in the swamps, in the wrestling ring, I will rise above, I will prevail, and I will show the world what it means to be truly unstoppable! - Zebediah Bogtrotter

I may have a bad attitude towards those who seek to stand in my way, but make no mistake – my energy is fueled by a desire for greatness, for excellence, and for victory.

I will not be satisfied with anything less than being at the top of the Western Trails Wrestling League. Taking out the trash on bad guy at a time

"The Dumpster" Moe Heathcliff:

Ladies and gentlemen, boys and girls, gather 'round and listen up! This is "The Dumpster" Moe Heathcliff, here to serve up some truth to all you trash-talkin', no-good evildoers in the Western Trails Wrestling League!

You think you can run wild, stirring up trouble and causing chaos wherever you go? Well, let me tell you something - I am the man who takes out the trash, and every single one of you is on my hit list!

You think you can hide from justice, sneak around and get away with your wicked ways? Think again, because I am laser-focused on each and every one of you. There's nowhere to run, nowhere to hide - I'm coming for you, and I won't stop until I've cleaned up this league once and for all.

So listen up, evildoers, you better start running and praying, because The Dumpster is coming for you. You're all my victims now, and there's no escaping the reckoning that's coming your way. I am the light in the darkness, the justice in the chaos, and I will not rest until I've taken out every last one of you. So prepare yourselves, Western Trails Wrestling League, because The Dumpster is here to clean house, and I won't stop until the job is done!

The Darkness of Halloween Jack

Halloween Jack:

(Laughs sinisterly) Well, well, well, look who it is - the goody two-shoes, the so-called hero of the Western Trails Wrestling League. Halloween Jack may have started out as a beacon of light, but oh how sweet it is to embrace the darkness, to revel in the thrill of being bad in a world of black and white morality. High Roller Paul Vegas, you may think you have me figured out, but you've barely scratched the surface of what I am capable of.

You see, in this twisted world of wrestling, where the cheers of the crowd can quickly turn to boos, where alliances are fleeting and betrayals are common, I have found my true calling. The power, the control, the rush of adrenaline that comes from embracing my darker side - it's intoxicating, it's liberating, and it feels oh so good.

High Roller Paul Vegas, you may have the upper hand in our Best of 11 series, leading me 4 to 2, but do not be fooled by this facade of defeat. The game is not over yet, my friend, for I have only just begun to show you the depths of my darkness, the extent of my cunning, and the ferocity of my wrath. I may be behind in the standings, but that only fuels the fire burning inside me, the fire that craves victory at any cost.

So watch your back, High Roller Paul Vegas, for Halloween Jack is not to be underestimated. I will claw my way back from this deficit, I will unleash a wave of chaos and destruction unlike anything you've ever seen, and I will show you and the entire world what it truly means to embrace the darkness within. The battle may be fierce, the stakes may be high, but in the end, only one thing is certain - evil will reign supreme in the Western Trails Wrestling League. Brace yourself, for Halloween Jack is coming for you, and there will be no mercy, no remorse, only the sweet taste of victory in the face of darkness. - Halloween Jack

Teenage Rage

(The camera fades in to a dimly lit room, with a single spotlight shining down on a figure sitting on a chair. The figure is none other than "Teenage Rage" Maxwell Clark, a young and rebellious wrestler known for his explosive anger and relentless determination. He looks directly into the camera, a sinister smile playing on his lips.)

Maxwell Clark:

Well, well, well... Look who we have here. It's me, "Teenage Rage" Maxwell Clark, the embodiment of fury and chaos. I may be young, but don't let my age fool you. I've got more rage in my little finger than most of these so-called wrestlers have in their entire bodies!

(He stands up from the chair, pacing back and forth with an intense energy.)

Maxwell Clark:

Western Trails Wrestling League, you think you can contain my rage? You think you can handle the storm that's about to be unleashed upon your pathetic roster? I'm here to tell you, I'm not just here to compete. I'm here to dominate! I'll tear through every single one of your so-called "superstars" until there's nothing left but a wasteland of broken bodies and shattered dreams!

(He grabs a steel chair and slams it against the wall, the sound echoing through the room.)

Maxwell Clark:

But that's not enough for me. No, I want more. I want to spread my rage to every corner of the wrestling world. I want to leave a trail of destruction in my wake, and I know just how to do it. I want in the Best of the Best Tournament, where the cream of the crop battles it out for supremacy. I want to prove that age is just a number, and my rage knows no bounds!

(He smirks, his eyes gleaming with a twisted excitement.)

Maxwell Clark: And let's not forget about The Johnny B. Cup Tournament. Oh, how I long to get my hands on that prestigious trophy! I'll show the world that I'm not just a flash in the pan, but a force to be reckoned with. I'll make every opponent tremble in fear as they face the wrath of "Teenage Rage" Maxwell Clark!

(He grabs a microphone and raises it to his lips, his voice dripping with venom.)

Maxwell Clark:

So, Western Trails Wrestling League, I hope you're ready. I hope you've prepared your roster for the storm that's about to hit. Because once I step foot in that ring, there's no turning back. I'll unleash my rage upon each and every one of you, and you'll beg for mercy. But mercy is not in my vocabulary. I'm here to conquer, to destroy, and to leave a lasting legacy of rage!

(He drops the microphone and walks out of the room, leaving behind a sense of impending chaos and destruction. The camera fades to black, leaving the audience in anticipation of the havoc that "Teenage Rage" Maxwell Clark is about to unleash.)

The Clowns of Terror

(The scene opens with a dimly lit room, adorned with eerie clown decorations. Beepo, Meepo, and Zeepo, collectively known as The Clowns of Terror, stand in the center, dressed in their menacing clown attire. The camera zooms in on their sinister grins as they address the fans.)

Beepo:

Ladies and gentlemen, boys and girls, welcome to our twisted circus of pain and chaos! We are The Clowns of Terror, the reigning SixMan team of the year in the Western Trails Wrestling League!

Meepo:

That's right, you pathetic fools! We dominated the competition, leaving a trail of broken bodies and shattered dreams in our wake. And guess what? We plan on doing it all over again next year!

Zeepo:

(Maniacal laughter) Oh, the sweet taste of victory! The fear in our opponents' eyes as we pummel them into submission. It's a symphony of pain, and we are the conductors!

Beepo:

You see, dear fans, we are not just clowns. We are the embodiment of your darkest nightmares. We revel in your fear, your anguish, and your despair. We are the harbingers of destruction, and there's no escape from our malevolent grasp!

Meepo:

(Leaning closer to the camera) We have seen the so-called heroes of this league, with their flashy costumes and empty promises. But let us tell you something, they are nothing but mere mortals, trembling in our presence.

Zeepo:

(Pointing a finger menacingly) They may have the audacity to call themselves wrestlers, but they lack the true essence of darkness that we possess. We are the masters of pain, the architects of suffering, and we will make them pay for their arrogance!

Beepo:

(Cracking his knuckles) So, listen up, you feeble-minded fans! We are here to remind you that the Western Trails Wrestling League belongs to us. We will continue to dominate, leaving a trail of broken bodies and shattered dreams in our wake.

Meepo:

(Smirking) And as for next year's SixMan team of the year? Well, let's just say that the competition should start trembling in their boots right now. Because when The Clowns of Terror step into that ring, it will be a carnival of carnage like never before!

Zeepo:

(Maniacal laughter fills the room) So, prepare yourselves, Western Trails Wrestling League! The Clowns of Terror are here to stay, and we will unleash a reign of terror that will haunt your dreams for eternity!

(The camera fades out as the maniacal laughter echoes in the background, leaving the fans with a chilling sense of anticipation.)

Been awhile since I spoke

(The camera fades in, revealing a dimly lit room with smoke swirling around. The High Roller Paul Vegas stands tall, his black leather jacket glistening under the flickering lights. He smirks, running a hand through his slicked-back hair, exuding an air of confidence.)

High Roller Paul Vegas:

Ah, Halloween Jack, my dear adversary. Here we are once again, in the midst of our little Best of 11 series. And what's the score, my friend? Oh, that's right, it's 4 to 2 in my favor. Four victories to my name, while you're left trailing behind with a measly two.

(He chuckles, his voice dripping with arrogance.)

High Roller Paul Vegas:

But don't you worry, Halloween Jack. I'm not here to rub it in your face... well, maybe just a little. You see, my friend, I only need two more victories to claim this series as my own. Two more wins, and it's game over for you. Meanwhile, you're desperately clawing for four more victories just to keep up.

(He paces back and forth, his eyes locked on an imaginary opponent.)

High Roller Paul Vegas:

I can see the desperation in your eyes, Halloween Jack. The fear that consumes you as you realize the inevitability of your defeat. But fear not, my friend, for I am a generous man. I'll give you one last chance to prove yourself, to show the world that you're not just a mere pawn in my game.

(He smirks, his eyes glinting with mischief.)

High Roller Paul Vegas:

So, Halloween Jack, prepare yourself for another encounter in the ring. Brace yourself for the pain, the humiliation, and the undeniable truth that I am superior. I am the High Roller, the one who always comes out on top. And when we meet again, I will make sure to deliver the final blow, sealing your fate once and for all.

(He raises his hand, forming a finger gun and points it towards the camera.)

High Roller Paul Vegas:

Bang, Halloween Jack. Bang. Your time is running out, my friend. So, train, prepare, do whatever it is you need to do. But remember, no matter how hard you try, you'll never surpass me. I am the High Roller, and victory is inevitable.

(The camera fades out, leaving behind a lingering sense of impending doom. The High Roller Paul Vegas has spoken, and Halloween Jack better be ready for the battle of his life.)

COWBOY ATOMIC

SHOGUN

Atomic Shogun has just used a cattle prod to bust open **Cowboy Jim Spurr** and win their first round Ft. Worth First Blood match in the Western Trails Heavyweight title tournament.

Up in the stands, WTL Commissioners champion, **Cowboy Schlitz**, looks on while wearing what appears to be a red, satin cape. Does this guy think he's Superman? Just then, **Miss Tess Stickles** approaches.

MTS: There you are, you crazy white man! Can I please have my underwear back?!

Schlitz sighs and undoes the cape which turns out to be a gigantic pair of red ladies underwear.

MTS: Remember the deal — If I lend them to ya, ya gotta give 'em back.

SCHLITZ: Whatever you say, my boo! Save me a seat at catering!

Miss Tess Stickles can't help but smile as she heads off.

Mr. Pennynickel

☞ Representing The Gun Collection ☞

Cowboy Jim Spur, it's time for a quick little chat. Your yapping has got to stop. You're saying I took all your money, damn right I did. I'm a money man. I love every penny and nickel. If I could swim in my money like Scrooge McDuck, I would, but unfortunately, that's not how it really works in this world.

But now, you went out and took my Tombstone DVD? Without my permission. So that's what you were doing when you came over for that visit? When you asked where the bathroom was. You were really raiding my extensive DVD library? I also have Tombstone on VHS and I have the soundtrack as well. I'm surprised you didn't take those too.

But here's the thing, Cowboy Jim Spur. Do the right thing and bring it back. I expect it to be on my doorstep the next time I leave the house. If not, there's going to be some consequences. And you're not going to like them very much.
