REPORT

X01 16-November25

“Welcome to X Wrestling. I’m McKayla Quinn... owner and CEO of the company. I felt it appropriate to make this introduction myself rather than your commissioner who’ll be here next cycle. X Wrestling will be the premier league for athletic competition and entertainment in the IWA, and, indeed, the world. If you’re not up to the challenge, you know where the door is.

Being this far into 2025, we will forgo the usual rankings and whatnot until the new year, but, make no mistake, you are now being evaluated for such things. You are, however, immediately eligible for company bonuses based on performance. Those’ll be made clear presently. My advice to you is... sign up for the X Battle Royal and start cutting promos, so we can see who’s getting over with the fans and who isn’t.

In the new year, your commissioner will establish a World X title as well as a World X Tag-Team title. Those championships will undoubtedly be determined by some sort of tournament. In the meantime, a TV deal was just finalized which will provide a much broader showcase for X Wrestling’s most inspired and inspiring talent.

At the moment, the Top 30 of you (by strategy total) are being qualified for an event that will live in infamy. December 7th, X Wrestling will hold its first ever pay-per-view event... The X Rumble Royale. The main event of which will be a royal rumble style match held under the auspices of the IWA. In other words, it’ll be legit.

I wish you all the best of luck, and, again... Welcome to X Wrestling.”

“You can all begin by thanking me. If not for my influence, XWA would likely not exist. I’d been looking for a way to bring my Misthios to the U.S. for some time. When I heard about the proposed X Wrestling project, I knew it was the perfect opportunity... until the whole thing nearly fell to pieces thanks to small minds in the wrestling world not understanding what they nearly had. I used my own credibility to work an even better deal for X Wrestling.”

“And here we are about to embark on something that will revolutionize the game. The game is evolving, and you’re either on-board or out in the cold. As for me, I’ll be leading the way with my guys set to dominate X Wrestling and bring all that gold back to me. Just be glad you’re here to witness it.”

“I understand there’s a warrior here goes by the name of X Khan. It does not matter who he is or where he comes from or what style fighting he employs. My Misthios are ready for him and will take him down to for that \$20,000. We’ll see what else X Wrestling is offering for the taking. I hope the rest of you are ready because we sure are.”
