COVER: THE 2024 IWAR DRAFT

One of the most popular events in IWA history returns when we hold the 8th IWAR Draft. Last year, we had to cancel the draft, so this year’s draft will be even bigger.

The Draft is how the IWAR shakes up our leagues, brought in fresh talent and given other stars a chance to find a new spark in a different league.

We also run a contest with the draftees to see who can rack up the most rankings points will win the contest and earn themselves a shot at the IWAR Revolution champion and 10 Free matches.

Anyone can enter a wrestler into the draft (except those who have been banned for their joining previous drafts then bailing on their new leagues. #boooooooo) and your wrestler can be an existing wrestler or a brand new creation, but everyone who enters the draft must send me; Wrestler’s avatar, bio and Stat (w/l record, earnings, stars, titles won, etc.) for the IWAR Draft Preview issue that comes out the cycle before it is held.

The IWAR Draft is held LIVE on the IWAR Tubecast and the Commissioner of each league makes their picks in a total shoot event. That’s right, this isn’t predetermined so anything can happen. Surprise picks, trades and brawls! You won’t want to miss this.

(* NWL wrestlers may finish their NWL contract before transferring to their new league.)

Thanks for playing,

-Matt Riley

LETHAL LOTTERY

TAG TEAM TOURNAMENT

The Lethal Lottery: The Trifecta matches up IWAR superstars set into random teams of three. These trios will battle it out in a 4 round eliminator tournament where teams will advance based on the combined individual wrestler's strategy score. (so there is no need to flow) Each round the bottom half of the field will be eliminated.

The winning team will go on to challenge the IWAR World Six-man champions in a title match that will be determined the same way the winning trio won the tourney!

Round 1 – 3/12

Round 2 – 4/2

Round 3 – 4/23

FINALS – 5/14

In honor of the 11th year of the Johnny B. Cup and the 27th Frank Marano Memorial Tag Team Tournaments, in 2023, the field for these events will expand beyond the IWAR Network! As it was last year, the BBL will also be allowed to enter this event. Stay tuned for more details on entry fees, limits and more.

Here are all of the winners of the previous 10 Johnny B. Cup tournaments.

Single elimination tournament

Winners determined by
total strategy score

Ties Breaker: In the case of a tie,
we will move to each wrestler's previous cycle score until
the tie is broken.

In 1987, I joined the IWA and I was awful (which happens when you don't change your strategy), but it was the controversial Frank Marano who took me under his wing and helped me learn the game. Frank was the man behind IWA greats like Sheik Yerbutti, Syrian Assassin and Phantom Striker, innovations in game play and was one of the first big roster players. We became friends while talking about pro wrestling, my inability to win the IWA title and the variety of odd pen pals we picked up through wrestling game. Since we were both fans of baseball, we talked about catching at came in Flushing or the Bronx some time in the future.

One night, Frank told me he had been diagnosed with Hodgkin's Disease, but things looked up when it went into remission. Life went back to normal until the cancer returned a year later, and it was worse than before. The cancer had nearly destroyed his vocal cords the last time we were able to speak and he wished me well with my goal of breaking into the pro wrestling.

Frank was just 27 years old when he passed away and I wanted to name an event to honor an game changing IWA pioneer and a good friend. This year marks the 28th running of the Frank Marano Memorial Tag Team Tournament and will feature the best tag teams in the IWAR Network battling to win the most prestigious event in the IWA.

FREQUENTLY ASKED QUESTIONS

What is the IWAR Network, what makes it different from the rest of the IWA?

Back in 2012, the IWAR Network formed in order to supply an atmosphere for the creative style of play to thrive. This led to an IWA Revolution that raised the level of play and the result has been a steady stream of IWAR superstars that have changed the game. While the size of the IWAR has fluctuated over the years, it now consists of the Battle Royal League (BRL), Independent Wrestling League (IWL), New Wave League (NWL), Continental Wrestling League (CWL), Western Trails League (WTL) and the Black Widow League (BWL). If you like action-packed leagues with a lot to be involved with, then the IWAR Network is the place for you.

What are the IWAR's Events and how do I get involved?

Spring Events

- Johnny B. Cup (est. 2014) The biggest event of the year to honor the man who founded the IWA, Johnny B.
- Frank Marano Memorial Tag Team Tournament (est. 1991)
- The Lethal Lottery: The Trifecta (est. 2021) Random trios are paired up and have to put aside their differences to win.
- All Rookie Cup (est. 2011) The NWL's top rising stars face off with a chance to challenge the IWAR Revolution champion.

Summer Events

- Summer Series (est. 2018) This is the IWAR's version of the NJPW's G1, a grueling 4 round contest to see who has the best 4 cycle average.
- The Lethal Lottery (est. 2021) Wrestlers are randomly paired up and compete for a shot at the IWAR World tag champs.
- The Elite Trios Tournament (est. 2023) The IWAR's best six-man teams compete for a shot at the IWAR World Trios champs.
- King of the Ring (est. 2021) A free event open to one wrestler per player who will earn the ring to call themselves "King" for one year.
- Queen of the Ring (est. 2019) The BWL's women battle it out to be called "Queen of the Ring" for one year and earn an IWAR World title shot.

Fall Events

- Bound for Glory Series (est. 2013) A four cycle series where the top half of the high scores advance until only one star remains.
- Tag Team Derby (est. 1995) A four cycle series where the top half of the high scores advance until only one tag team remains.
- Triple D Cup Trios Tournament (est. 2010) A four cycle series where the top half of the high scores advance until only trio remains.
- The IWAR Games (est. 2023) Teams of 5 wrestlers battle in a double-ring steel cage War Games tournament until the top team is crowned.
- Ladder Match Battle Royal (est. 2015) What starts as a battle royal ends in a ladder match for a "Money in the Bank" style contract.

Other Events

- Annual Achievement Awards (est. 2012) A pause to recognize the efforts, achievements and top moments from the previous year.
- Best of the Best (est. 2021) 8 trash talking wrestlers from the BRL, CWL, IWL and WTL compete for a chance to challenge the IWAR World champion.
- ImagiClash (est. 2021) Think of it as our "premium live event" where the IWAR World champs defend their titles against the top contenders.
- Best of Seven Series (est. 2014) Two of the IWAR stars go head-to-head to determine who gets the first pick in the IWAR draft.
- The IWAR Draft (est. 2016) Wrestlers enter and are drafted into one of the IWAR leagues in an unpredictable shoot event.

IWAR Sanctioned championships

- IWAR World championship (est. 2013) The top title in the IWAR honors the storytelling style of play while using the strats to determine the winners.
- IWAR World Tag team championship (est. 2016) They are challenged by the winner of Marano Memorial, Tag Derby, Lethal Lottery and IWAR Tag of the year.
- IWAR World Trios championship (est. 2016) They are challenged by the winner of Lethal Lottery, Elite Trios, Triple D cup and IWAR Trio of the year.
- IWAR Revolution championship (est. 2017) This is the title that IWAR event winners (except LMBR) go on to compete for in a Triple Threat match.

What is the difference between the IWAR Network's league?

BRL: The IWA's longest running league is has been among the most active since 2014 and is packed with the biggest names and revolves around four big ppvs; *Wrestlerama*, *Imagibash*, *Autumn Anarchy* and *Battlecade*. 6 wrestler limit per player and the BRL Champion and Battle Royal winners each earn \$25 in IWA Credit.

BWL: *This league is for women only, has only singles titles and has a limit of 1 wrestler per player. There is a special deal where each cycle fee is always \$5.00 (6 matches, Battle Royal entry) unless you earn free matches through the game. There are 3 ppvs; Where the Boys Aren't, No Man's Land & Caged Fury.*

IWL: An old school IWA league, no stable initials allowed and a 6 wrestler max per player. The roster is loaded with big stars and revolves around the 4 ppvs; *Mat Mania*, *Soul Survivor*, *Royal Flush* and *Hardcore Holiday*. The Battle Royal winner earns a Free match for each entrant. (so 50 wrestlers = 50 Free matches!)

NWL: *The IWA's Rookie league is where all new players debut, 3 wrestler maximum per player and are given 17 cycles to learn how to play, and develop their wrestler's character through their feuds, rivalries and title wins. The action revolves around the Collision Course ppv and more events.*

CWL: This returns to the IWAR Network after a few years away and it looking to rebuild under a new Commissioner. There is a 6 wrestler maximum per player rule in effect and while the roster has some big names, they are actively recruiting to restore the CWL to the glory that made it one of the best leagues in the game.

WTL: *While this league is built around the old west theme, your wrestlers don't have to be in that style, but there is a 6 wrestler limit per player. If you are looking for a league that has the room to grow and a need for a variety of stars, then hitch your wagon to the WTL.*

Why are new IWA players only allowed to stay 17 cycles in the NWL?

New and some returning players get to play against others who are on the same level as they learn all aspects of the game. After 17 cycles (not including their 10-0 exhibition debut, when everyone's strategy is just terrible) we believe they should move on to the IWA-at-large so enjoy it while it lasts. (You can't get back.)

How do I get my wrestler onto a pay per view show or on the cover of the IWAR Magazine?

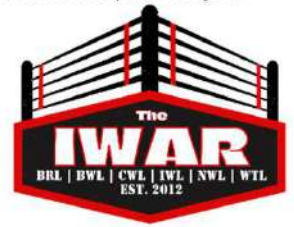

Be active, trash talk promos, sneak attacks, challenges, etc), and confirm your interest with your commissioner, but winning some of our big events is a great way to land a spot too as we celebrate the stars who make a difference.

I won Free matches and/or credit from an IWAR event/contest, how do I redeem them?

When you send in your IWA matches, make note of the prize you won (free matches or IWA credit) and how so the IWA knows you earned them.

I'd like to take a break from the IWA, but I don't want to lose my wrestler's stats?

The IWA will 'store' your wrestler with their record and all of their earnings and stars in the "Grave Yard" for \$2.00 per wrestler and you can retrieve them (for free) when you are ready to return.

How to earn title shots at the IWAR Network titles

IWAR World championship – The IWAR Network was established to celebrate the storyline style of play. The Best of the Best tournament will feature two wrestlers from each of the IWAR's senior leagues will go head to head in an 8 man tournament. The wrestlers picked will be chosen from the wrestlers who trash talked and created a vivid wrestler. The winner of the BOTB tourney will go on to challenge the IWAR World champion at the next ImagiClash event. (est. 2013)

IWAR Revolution championship – Created by crooked Commish, Johnny Revolution to celebrate his purchasing controlling interest in the IWA, it's an ode to mayhem. The champion defends against at least 2 challengers in a Triple Threat match at each ImagiClash. The challengers are made up of event winners; (est. 2017) Spring: winners of the Bound for Glory & IWAR Draft. Summer: winners of the Johnny B. Cup & IWAR Wrestler of the Year, Fall: the winners of the Summer Series & King of the Ring. Holiday: winners of All Rookie Cup & Lethal Lottery.

IWAR World Tag team championship – The IWAR has long been known for it's tough tag team competition and some of the champions have held both the IWAR and IWA championships. The challengers are made up of; (est. 2016) Spring: winners of the IWAR Tag team of the Year. Summer: winners of the Marano Memorial Tag Team tournament Fall: winners of the Lethal Lottery Tag Team tournament Holiday: winners of the Tag Team Derby

IWAR World Trios championship – There have been a number of dominant six-man teams and any argument over who is the greatest will include a team that held these titles at some point. The challengers are made up of; (est. 2016) Spring: winners of the IWAR Six-man team of the Year. Summer: winners of the Lethal Lottery: the Trifecta tournament Fall: winners of the Elite Trios Tournament. Holiday: winners of the Triple D Cup Trios Tournament
