Why Jade Federation:

Worldwide Elite Wrestling is a great league in the Jade Federation. We don't have a match deal yet, but I promise you our commissioner is going to work very hard to get one. And if you send in your creations or transfers right now you can be on the ground level of helping create that match deal. But remember kiddies, this is a no-limit league so don't come in here expecting tons of trash talk. This is a no-nonsense league with one thing in mind and one thing only... **A SINGLES STRATEGY REPORT HIT!** That is IWA Championships son!
